

## PHARMACISTS / SENIOR PHARMACISTS

### Positions Available:

- (a) Outpatient Pharmacists
- (b) Ward-based Clinical Pharmacists

### The Challenges

Are you keen to develop your clinical & professional skills? Then join our progressive team at IMH to develop exciting and challenging services to promote both optimal prescribing practice and patient care.

We are looking for dedicated, enthusiastic and self-motivated pharmacists with good communication skills to provide patient-centred services to the different sub-specialties of psychiatry and mental health.

#### (a) Outpatient Setting

Your will

- provide professional and clinical services to outpatients and retail customers
- check inpatient orders
- provide medication education and counseling
- provide drug information services
- conduct training and education sessions for staff
- run smoking cessation clinic
- supervise a team of Pharmacy Technicians and Pharmacy Assistants

#### (b) Ward Setting

You will

- provide professional and clinical services to inpatients
- attend ward rounds to contribute to patients' drug therapy management and answer drug queries
- provide pharmaceutical care services
- attend and participate in journal clubs
- provide patient education/ pre-discharge & discharge medication counselling
- conduct training and education sessions for staff
- perform drug evaluation
- participate in clinical research

### The Requirements

- Degree in Pharmacy that is registrable in Singapore
- Good organisational and interpersonal skills
- Ability to work independently

**Registered pharmacists with no hospital working experience or fresh graduates who will be registered in early 2008 are invited to apply.**

Remuneration will commensurate with the candidate's qualifications and experience. We provide a competitive compensation & benefits package along with the commitment to support your continuing professional development.

To apply, please send/email your detailed resume, stating your current and expected salary, with a recent passport-size photograph to:
