

ST LUKE'S HOSPITAL

St Luke's Hospital is a 185-bedded community hospital set up in March 1996 by 8 Christian organizations. We are a voluntary welfare organization providing holistic care, especially to the elderly sick in Singapore with a multi-disciplinary approach including medical, nursing and rehabilitative care. We are inviting suitably qualified candidate to apply for the position of:

PHARMACIST (FULL-TIME/PART-TIME)

Responsibilities:

- Be part of the Pharmacy team to execute pharmaceutical and drug dispensing functions which include stock control, budgeting and purchasing duties
- Be an active member of the multi-disciplinary team on patient care

Requirements:

- Bachelor of Science (Pharmacy) or equivalent
- Must be registered with the Pharmacy Board of Singapore
- Preferably with experience in a hospital pharmacy
- Must be able to work independently

The successful candidate can expect a competitive remuneration package, and a fulfilling and challenging work environment. We strongly encourage continuous education and development through our in-house training programmes and external courses.

Please send your completed application form (obtainable from www.slh.org.sg) and detailed resume including current and expected salary together with a recent passport-sized photograph by **16 January 2008** to:
