Welcome Address

Dear Friends and Colleagues

Welcome to our 13th Annual Asthma CME/CPE program.

This year, our program is structured to provide you with the latest update in asthma management from the primary care perspective. We have included hot topics like "allergens and asthma" and "difficult asthma" in this year's program in addition to other important asthma topics. I hope you will find this program useful in the management of your asthmatic patients.

Warm regards

Dr Loo Chian Min

Head & Senior Consultant
