

## PHARMACISTS

(REF: KKH/AHS-PHM/0508/046)

### About the Job

You will be responsible for the full spectrum of pharmacy operations and management. Your duties include supervising pharmacy technicians and pharmacy assistants, providing patient-oriented services to our women and paediatric patients in retail or wards, and dispensing medication.

You will also be involved in specialised counselling, research and the merchandising of OTC products, the aseptic dispensing of cytotoxic drugs as well as other clinical pharmacy services. In addition, you will be expected to attend to enquiries from healthcare professionals and members of the public.

### Requirements

- ✓ Degree in Pharmacy
- ✓ Registered pharmacist with Singapore Pharmacy Board

### How to apply

Interested applicants are invited to apply online at [www.kkh.com.sg/JoinUs](http://www.kkh.com.sg/JoinUs) or write to:
