

Job Opportunities at Ngee Ann Polytechnic

Do you have a burning desire to nurture young minds? Do you aspire to inspire students? If so, this is your chance to make it all come true.

At Ngee Ann Polytechnic, we pride ourselves as a premier institution of higher learning. And we seek exceptional individuals who share our vision of **Connecting Minds, Unlocking Talents and Creating Value**. If you wish to be part of an institution with that something **X'tra**, write in to us today.

LECTURERS

School of Life Sciences & Chemical Technology

Position 1: Pharmacy Science

[Ref: LSCT/Lecturer/PHARM]

A Degree in Pharmacy or equivalent, with at least 3 years relevant industry experience in areas related to pharmacy practice (e.g. retail/hospital pharmacy, pharmacology, pharmaceutical immunology, and pharmaceutical manufacturing). Competent to plan, develop and teach a wide range of pharmacy curricula including the following modules:

- Clinical Biochemistry
- Medicinal Chemistry
- Pharmaceutics
- Pharmacology
- Immunology
- Pharmaceutical Analysis

Post-graduate qualification and research experience in fields including drug discovery, medicinal chemistry, pharmacoinformatics and pharmaceutical nanotechnology will be an advantage.

If you are a self-starter with an innovative mind, lots of energy and a deep passion to engage our students in their learning, we invite you to be part of our dynamic team to take tertiary education to greater heights. You will be actively engaged in experiential and applied learning, research and industry projects, field trips and other exciting programmes. Having a strong network in the relevant industry and prior experience in curriculum design and delivery will give you an added advantage.

Please indicate the corresponding reference number, your current and expected salaries, as well as why you are well suited for the position in your application.
