

NOMINATIONS FOR THE 104TH COUNCIL 2010

Nomination is now open for members to fill the 104th Council.

The responsibility of Council members is to provide advocacy and leadership for the profession and drive the various chapters/committees of the Society (please see attached Terms of Reference). Nominees should be committed, dedicated and passionate about the profession. The future of the profession lies in the stewardship and dedication of the Council; therefore nominees should preferably also have extensive working/practice experience and be visionary in the advancement of Pharmacy.

Exercise your rights as members of the PSS, nominate and elect your leaders for a better tomorrow!

M K Fatimah
President

Please post or fax (6223-0969) the nomination form to PSS **before 18th March 2010**.

Terms of Reference

Community Chapter

- to improve the professional standards of community pharmacy.
- to encourage the delivery of pharmaceutical service to the community.
- to advise the Council on issues facing community practice and present the community perspective in the healthcare scene.
- to promote communication between pharmacists in the community and other areas of practice
- to promote continuing education and professional training relevant to the needs of pharmacists and pharmacy assistants in the community.

Hospital Chapter

- to promote communication between pharmacists working in the hospital environment
- to promote integration between pharmacists working in the hospital environment and those involved in the other areas of pharmacy practice
- to encourage and promote continuing education and other professional training which are relevant to the pharmacists practising in the hospital environment
- to advise the sitting PSS council on matters and issues pertaining to the hospital environment

Industry Chapter

- to promote better integration and communication between pharmacists in the industry and other branches of the profession
- to advise the Council on issues facing pharmacy in industry and present the industry perspective in the healthcare scene
- to foster and develop the roles and functions of pharmacists/pharmacy graduates working in various capacities in the industry
- to promote pharmaceutical education and professional training relevant to the needs of pharmacists in the industry

Professional Education Committee

- to provide continuing pharmaceutical education to pharmacists, thereby raising professional standards
- to develop and expand up-to-date, relevant continuing education programmes
- to provide pre-registration training
- to organise relevant courses and accreditation programmes for pharmacy staff

Public Education Committee

- to empower members of the public with appropriate information to make informed decisions about their own health management
- to further heighten pharmacists' role in health system through:
 - (i) Promotion of health awareness and well-being
 - (ii) Disease prevention and health promotion
 - (iii) Identification of ill health
- To promote and encourage the public to practice safe and effective self-care:
 - (i) Self medication for minor ailments
 - (ii) Empower patients/public to participate in their well-being, disease prevention and management

Membership Committee

- to build a strong and motivated Society that represents most, if not, all pharmacists/pharmacy graduates in Singapore
- to organise appropriate social events for members
- to facilitate the administration of the various awards presented by the society namely the Prof Lucy Wan "Outstanding" Pharmacist Award, PSS Community Pharmacist of the Year Award, PSS-Shire Hospital Pharmacist of the Year Award, ICM - PSS Pharma Industry Pharmacist of the Year Award and the Student Overseas Enrichment Award.

Publications & Communications Committee

- to be responsible for the publication of the monthly eBulletin and upkeep of the PSS website
- to oversee the media relations and serve as official sounding board with local and overseas contacts.
- to support the Honorary Secretary in the production of the Annual Report.
- to serve as communication and publicity channels to support the Community, Hospital and Industry chapters and all committees/subcommittees.
