Singapore Clinical Research Institute

Alumni Hour

An exclusive time when networking hall will be opened for the graduates of tertiary education and polytechnics. This gives you the privilege to network with the company representatives without a huge student crowd.

Networking Session

Rare chance for you to leave an impact on representatives from companies you aspire to work with! On-site interviews will also be conducted in a separate room for several companies.

Windows of Opportunities

A specially designed hour to know all about the exciting paths you can take in the industry. Companies will be using a couple of minutes to advertise to the mass audience.

Why register early?

1. To be eligible as part of the BioBiz 2015 exclusive Facebook Group to receive first hand news on pre-event and event happenings, a chance to interact with speakers of our event and have your questions answered during the speaker's presentation or Q&A session of the panel.
2. To get a chance to participate in pre-conference site visits to several companies' industrial site.
3. To be able to submit resume to the desired companies before the event. Submission will start mid January 2015. Slots are limited!
