## Pioneering Care for Tomorrow 25<sup>th</sup> Singapore Pharmacy Congress Grand Copthorne Waterfront Hotel, Singapore

Department of Pharmacy  
Faculty of Science

**Abstract registration will commence in April 2015**

On behalf of the Organising Committee, it gives me great pleasure to invite you to the 25<sup>th</sup> Singapore Pharmacy Congress. The Congress theme for this year is **"Pioneering Care For Tomorrow"**. It is aptly chosen to demonstrate the commitment of pharmacists in bringing the best and latest evidence-based care to patients in the not so distant future.

This year also marks the 110<sup>th</sup> Founding Anniversary of Pharmaceutical Society of Singapore and Department of Pharmacy, National University of Singapore. As a part of this celebration, both bodies will co-organise the Congress to bring you an exciting and comprehensive programme. Please look out for it and hope to see you there!
