Community Pharmacist Of The Year (2016)

Objectives

- To give due recognition to pharmacists who have excelled in the practice of Community Pharmacy.
- To identify leaders/role models in this area.
- To encourage healthy competition amongst pharmacists.
- To encourage and promote excellence in the Pharmacy profession.

Attributes

- The candidate is one who mentors junior pharmacists and staff and demonstrates leadership qualities.
- Active involvement in community-based practice research/quality improvement related projects and publications will be accorded higher consideration.
- Has contributed significantly to his/her organization in the area of Pharmacy practice.
- Significant contributions to the PSS will be accorded higher consideration.

Eligibility & Nomination Procedure

- Nominations can only be made by a member of the PSS, preferably from the Community sector which includes pharmacists in the Polyclinic setting and hospital pharmacists working in a Retail Pharmacy setting in hospitals.
- The nominee must be pharmacist and member of the PSS, with at least three years of working experience.
- Nominations must be made on the prescribed Nomination Form, and submitted together with:
    - Curriculum Vitae of the nominee,
    - Letter of support / endorsement from his/her senior, supervisor or manager.
- All nominations must be submitted by **31st July 2016**.
- Completed forms with accompanying documentation should be forwarded to:

PSS Community Pharmacist of the Year 2016
Pharmaceutical Society of Singapore
Alumni Medical Centre, 2 College Road
2nd Level, Singapore 169850

Judging

Evaluation will be made by a panel of judges appointed by PSS. During the judging process, shortlisted nominees may be interviewed by the panel in September 2016. The judges' decision is final.

Presentation of Awards

The winner will be announced at a presentation ceremony in conjunction with the 26th Singapore Pharmacy Congress in October this year. The award comprises S$1,000 in cash, free PSS membership for 1 year and a plaque.
