## **PRESIDENT'S REPORT**

Dear colleagues,

It is with great excitement that I present this year's annual report. It has been an exciting and fruitful year for the Pharmaceutical Society of Singapore (PSS) as we brought several major initiatives and projects to fruition. I shall highlight our major achievements here.

The 26th Singapore Pharmacy Congress was successfully held at Suntec Singapore Convention & Exhibition Centre on 8<sup>th</sup> and 9<sup>th</sup> October 2016. The organising committee put together an exciting and comprehensive programme revolving around the theme "Patients – Our Partner in Care". This theme was timely and close to the hearts of all pharmacists and healthcare professionals, reflecting the imperative need to proactively engage patients and caregivers to understand about their needs and expectations, and for new models of care to meet the rising and evolving healthcare needs in Singapore. For the first time, we invited both patient and caregiver to participate in a dialogue with a doctor, pharmacist and industry partners in a plenary session during Congress. Through the dialogue session, we heard from the patient and caregiver about their needs and expectations on care provision. In line with the theme, the organising committee also brought a public forum focusing on self-care and diabetes care right into the Congress.

The PSS Practice Guide for Minor Ailments, a series of comprehensive practice guides aimed at standardising care provision for minor ailments, an initiative by the Community Chapter; as well as the PSS Guideline for Supply and Delivery of Medications to Customers were also officially launched at the Congress opening ceremony.

The Pharmacy Week 2016 committee continued its strong momentum using the main theme "Just Ask" but focused on the second subtheme "Own Your Health, Take Action Today!". Inter-professional education on deprescribing to reduce polypharmacy took place on various platforms including lectures to doctors and revision of the Proton-Pump Inhibitors (PPIs) Deprescribing pocketcards. The committee also organised a health fair "Own Your Health @ North West" in collaboration with North West Community Development Council (NWCDC) and National University of Singapore Pharmaceutical Society (NUSPS), to drive 3 key messages targeting 3 different generations. The event was well received with a turn-out of about 500 participants, and covered by mainstream media including The Straits Times, Channel NewsAsia, and Lianhe Zaobao.

The year 2016 marked the milestone where the Community Chapter launched the PSS Practice Guide for Minor Ailments as an electronic resource to equip pharmacists with the latest evidence-based guidelines in their area of work and to provide a standard for uniformity of care. This included didactic lectures as well as online pre and post assessments. Seven out of the planned 14 modules have been launched so far. The Chapter continued to work closely with the Health Sciences Authority to facilitate reclassification of medicines by developing patient information leaflets (PILs) for pharmacists to supply upon dispensing of reclassified P-only medicines to ensure appropriate medicine use and patient safety. Another major project that the Chapter started to work on in 2016 is the PSS-NHGP Smoking Cessation Programme whereby identified patients will be decanted from the polyclinics to community pharmacies for smoking cessation, providing more accessible care.

The Infectious Disease Special Interest Group under the Hospital Chapter organized several activities in 2016 to educate on appropriate antibiotic use. Both the pre-congress workshop on "Infectious Disease Management in Intermediate and Long Term Care (ILTC) sector" as well as the article on "What you need to know about antibiotics" published on the PSS website and on the PSS Facebook page were well received by the participants and public, respectively. The Hospital Chapter also published an online case study, made complimentary to all PSS members.

The Industry Chapter continued to reach out to the diverse sector of pharmacists and held sharing sessions focusing on industrial career opportunities, entrepreneurial knowledge and the regulatory affairs.

The Young Pharmacists Chapter also organized many activities, including the annual sports day which aimed to bring pharmacists together and bond over outdoor activities, as well as the PSS Appreciation Dinner for all the volunteers. The Chapter also conducted a membership survey to derive a better understanding of the needs of pharmacists in order to enhance the type of activities that PSS organised. This year, two of the Chapter members represented Singapore at the Asian Young Pharmacists Group Leadership forum and shared about the paradigm change in the pharmacy education structure and the pharmacist training programme in Singapore.

The PSS ILTC Pharmacists Workgroup continues to drive the agenda of safe medication use in the ILTC sector. The workgroup signed the 3<sup>rd</sup> Memorandum of Understanding (MOU) between PSS and the Agency for Integrated Care (AIC), with the commitment to support the implementation of pharmaceutical care program i.e. to conduct medication audit, review, and medication management training runs to the various ILTC organisations in Singapore. The success of the pharmaceutical care program in the nursing homes led to the invitation of the ILTC workgroup leaders as keynote speakers at the 2016 Taiwan Society of Health System Pharmacist Congress themed "Integrated Pharmaceutical Care for an Aging Society".

The year has also been very busy for the Professional Education Committee. The Committee has continued to bring carefully crafted, enriching, and all-rounded monthly CPEs to our members.

In Nov 2016, an article titled "Community pharmacists are partners in public healthcare" contributed by the PSS Council was published in the Straits Times Forum. This article highlighted the imperative need to tap on community pharmacists more for primary care transformation.

The above are some of the highlights of the year but there are many more activities not detailed here. Other chapters, committees, PSS representation on national committees as well as international affiliations have worked tirelessly to advance the profession to greater heights. Please do take time to read this annual report to learn more about our activities, and be part of us to lend strength to the society.

I would like to thank the PSS Fellows and Mentors for all the advice and contributions; my fellow PSS Council members for the camaraderie and selfless contributions of time and efforts spent on steering the PSS ship; all our volunteers who have worked relentlessly on our various programs and activities; PSS secretariat for the excellent support to the Council and our members; pharmacy managers and heads of department for the continuous support for our programmes; and last but not least our members whom we exist for.

Let us continue to work together through diversity and adversity to advance the profession, and stay true to our mission of maximising the contribution of pharmacists to the healthcare of residents in Singapore.

Ms Ng Hong Yen President 110th Council Pharmaceutical Society of Singapore

#### Missions:

- 1. To influence the professional practice of community pharmacists
- 2. To improve health outcomes for patients by increasing access to preventive care by community pharmacists in the management of minor ailments, as well as chronic conditions
- 3. To increase awareness of the public, government-linked agencies and other stakeholders that community pharmacists are important members of the healthcare system

#### 1. <u>Community Pharmacy Health Champion Programme (CPHCP)</u>

The Community Pharmacy Health Champion Programme (CPHCP), formerly known as Pharmacist Health Ambassador Programme (PHAP), was inaugurated in October 2006.

The programme serves as a platform for pharmacists to share their knowledge, empowering patients/clients to cope with chronic ailments and undergo lifestyle modifications. These conditions range from common ailments such as allergic rhinitis and eczema to more chronic diseases such as high blood pressure, diabetes and high blood cholesterol. Assisting the community with smoking cessation is also a major goal in this programme.

Since its launch, the programme continues to run successfully. From August 2015 to August 2016, a total of 22 community pharmacists participated in this programme. A total of 944 follow-ups were rendered for patients.

Community pharmacists proactively followed up with the patient's conditions and enhanced outreach efforts. More importantly, health counselling sessions conducted by community pharmacists resulted in patients achieving higher rates of healthy lifestyle adoption as well as improved outcomes.

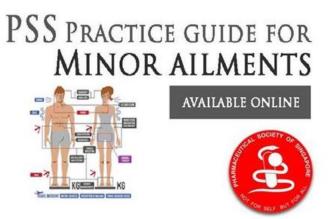

To appreciate and encourage active participation of community pharmacists, the top ten contributors for CPHCP were recognised during the Opening Ceremony of the 26<sup>th</sup> Singapore Pharmacy Congress, held on 8<sup>th</sup> October 2016, Suntec Singapore Convention & Exhibition Centre.

Moving forward, to enhance the programme, recording forms will be revised to ease the process of documentation and to capture outcomes data more effectively. In the meantime, community pharmacists in Singapore will continue to provide this invaluable service to the public, enhancing the overall health of the residents in Singapore.

#### 2. <u>PSS Self Care Guide for Minor Ailments</u>

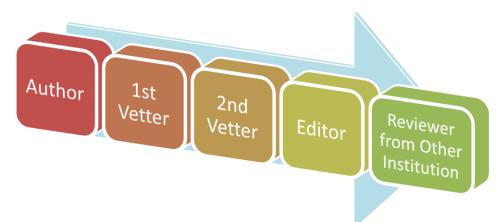

On 8th Oct 2016, PSS Community Chapter successfully launched the Practice Guide for Minor Ailments (PGMA) on the PSS website!

Community pharmacists are the most accessible, well positioned and entrusted trained healthcare providers to the public. This important role requires pharmacists to be professionally competent and continuously updated.

In an effort to update pharmacists' knowledge and skills by providing a systematic, evidencebased and stepwise approach for managing minor ailments, the PSS Community Chapter spearheaded the development of guidelines on a series of topics. The topics are bundled to form the **PSS Practice Guide for Minor Ailments**.

The Practice Guides were developed with the aim of keeping pharmacists' knowledge up to date, and also standardising practice across all institutions in Singapore. The Community Chapter identified 14 topics to be covered in this first series. This project saw pharmacists from the community sector – Guardian, Watson's, Unity, NHGP, and Singhealth polyclinics coming together, working as one. The drafts were then sent to various institutions in the hospital sectors for comments and feedback. Hundreds of volunteer hours during a grueling 5-stage process brought this project to fruition.

The topics covered are as below:

- 1) Principles of Self Care
- 2) Weight Management
- 3) Understanding Allergic Rhinitis, Cough & Cold
- 4) GERD
- 5) Pain Management
- 6) Skin Conditions Part I (Eczema, Dandruff, Seborrheic Dermatitis)
- 7) Skin Conditions Part II (Fungal, Warts, Cold Sores, Acne)
- 8) Travel Medications (Malaria, Motion Sickness, Mountain Sickness)
- 9) Hair Loss
- 10) Smoking Cessation
- 11) Irritable Bowel Syndrome, Constipation, Diarrhea
- 12) Eye Care (Dry Eyes)
- 13) Wound Care
- 14) Vulvovaginal Candidiasis
- Now on a convenient e-learning platform, all pharmacists can easily access the guide through the PSS website. (<u>http://www.pss.org.sg/store/online-cpe/pss-practice-guide-minor-ailments-pss-pgma</u>). This resource is available free of charge to all PSS members. For each modules, participants will receive the following:

- 1 Pre Test
- 1 set of Guidelines
- 1 Patient Information Leaflet (which can be printed for patients)
- 1 Post Test

Upon successful completion and passing of the Post Test (80% required), the participant will receive a **"Certificate of Completion"** and is entitled to **2 CPE points per module under Category 3A.** Several topics are also in the planning as PSS CPE talks.

#### 3. <u>Reclassification of Medications</u>

The chapter works closely with the Health Sciences Authority (H.S.A.) in the reclassification of medicines. To ensure patient safety and appropriate medication use in the community, the PSS Community Chapter has been developed patient information leaflets (PILs) for pharmacists to supply upon dispensing of reclassified P-only medicines. These PILs are made available on the HSA website. Pharmacists are encouraged to provide these to the patients upon recommendation and dispensing of these reclassified items.

Moving forward, PSS Community Chapter will continue to engage H.S.A. to reclassify more prescription medicines which are appropriate for self-medication under the care and direction of community pharmacists.

For the full list of Updates on Reclassified Medicines, visit this link: <u>http://www.hsa.gov.sg/content/hsa/en/Health\_Products\_Regulation/Western\_Medicines/Reclassifi</u> ed Medicines/Reclassified Medicine\_Updates.html

#### 4. <u>PSS Community Chapter Facebook Page</u>

The PSS Community Chapter Facebook Page was set up since 11 June 2013, with the following objectives:

- Enhance communication with fellow community pharmacists
- Promote awareness of the role and value of community pharmacists
- Share health/pharmacy-related news or articles relevant to our daily practice from various sources (e.g. HSA, FDA, ISMP, MIMS, etc)

The number of people who liked the page has increased steadily since its inception. To date, we have accumulated a total of 708 Page Likes as of 12 Jan 2016, which is about 100% increase in the past 12 months.

The Facebook Page will continue to be instrumental in promoting the roles and values of community pharmacists to the public, and as a critical sharing platform among community pharmacists.

#### 5. <u>PSS - National Healthcare Group Polyclinics Smoking Cessation Collaborative Programme</u>

In collaboration with the National Healthcare Group Polyclinics (NHGP) and the Agency of Integrated Care (AIC), PSS Community Chapter will be launching a joint programme to provide more accessible care in the form of dedicated pharmacist-patient interaction outside polyclinics, in community pharmacies.

The PSS-NHGP Smoking Cessation Programme will be the first to be launched, as a pilot study to assess the feasibility of decanting patients from the polyclinics to community pharmacies. Upon referral from NHGP to the community pharmacies, patients will go through a 6-week smoking cessation programme that comprises of face-to-face counselling sessions conducted at a community pharmacy as well as telephone-counselling sessions. Patients may choose a time and location which is more convenient and accessible for them.

Besides referral from NHGP, the PSS-NHGP Smoking Cessation Programme will also be open to walkin customers at the community pharmacies. This will increase accessibility of smoking cessation support and services to the community who requires it.

Special thanks to the PSS-NHGP Workgroup Members for their contribution and time:

#### Missions:

- 1. The committee is to serve in the best interest of hospital pharmacists
- 2. The committee serves to build rapport among hospital pharmacists through networking and other activities
- 3. To initiate and maintain special interest groups that serve as a platform where hospital pharmacists can interact and grow professionally

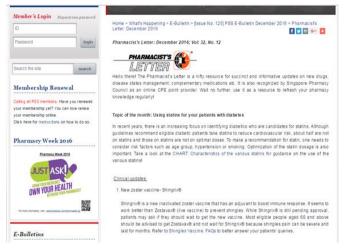

#### Activities:

#### 1. Pharmacist's Letter

Pharmacist's Letter started in 1985 and is a subscription service for pharmacists covering new developments in drug therapy, and trends in pharmacy practice. It is a commonly used resource by pharmacists in the United States and Canada and has been a reliable resource for local pharmacists since 2010. Pharmacist's Letter is provided free of charge to PSS members.

The service consists of a monthly letter, plus Detail-Documents available 24 hours a day. Pharmacist's Letter is independent and has no connection with any pharmaceutical firm.

This year, the average logins for the Pharmacist's Letter have increased by about 30% to 231 from 162 in 2015. This can be attributed to the efforts of the chapter in promoting readership and encouraging members to make use of the materials to accumulate Continuing Professional Education (CPE) points. In June 2016, a step by step guide was published on the e-bulletin to inform all members on how to access the Pharmacist's Letter.

Another initiative to encourage readership was monthly Pharmacist's Letter updates, compiled by our chapter members. Each update consisted of a short write up on the topics covered by Pharmacist's Letter and their relevance to local practice.

#### 2. <u>Online Case Studies</u>

Case studies contributed by local experts were compiled by the hospital chapter on a quarterly basis and were provided complimentary to all PSS members. Upon completion of each case study, pharmacist can earn up to one CPE point. The 8<sup>th</sup> online case study, on "Safe Use of Medications during Pregnancy", was published on October 2016. The following case studies lined up for publications are:

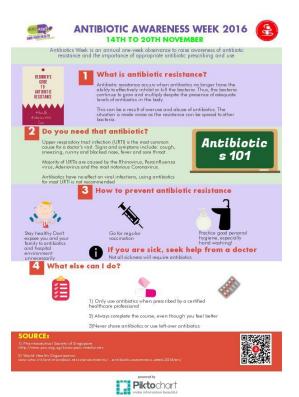

- Infectious Disease Management, contributed by the Infectious Disease Special Interest Group (ID SIG)
- Cardiology

#### 3. <u>Special Interest Group (SIG)</u>

The ID SIG which was formed last year in September 2015. The group has been active with their quarterly journal club and organized their very first Advanced ID workshop on the 26<sup>th</sup> of November 2016. The workshop was titled: MICS WITH MICS: MANAGING INFECTIONS CONFIDENTLY WITH MICS and was conducted by two experienced speakers Ms Wu Jia En and Dr Shawn Vasoo. A total of 26 pharmacists turned up for the workshop and session had garnered positive feedback from the participants.

ID SIG members participated in the 26<sup>th</sup> Singapore Pharmacy Congress pre-congress workshop and conducted a session on Infectious Disease Management in Intermediate and Long Term Care (ILTC). Three experienced ID pharmacists shared their insights on managing common infections in the ILTC setting.

This year, it was the first time that the ID SIG and PSS Public Education committee collaborated in their efforts to promote appropriate antibiotic use during antibiotic awareness week. A feature on: "What you need to know about antibiotics" was published on the PSS website and on the PSS Facebook page. The articles were simple and well received by the public.

#### **Mission:**

1. To maximise the contribution of pharmacists to the healthcare of Singaporeans, by promoting best practices that influence the value chain from research, manufacturing, marketing and distribution of medication.

2016 was the year where we had a 50% increase in members and organized 3 major Continuing Education sessions (CE) with the objective of sharing useful professional information with PSS members and fellow pharmacists. The topics cover industrial career opportunities, entrepreneurial knowledge and the regulatory affairs matters. Summary of each CE are as follows.

For 2017, we intend to continue focus on career talks as well as in-depth CE on the various technicalities behind each industry niche.

#### Summary:

- Barrington James (BJ) specializes in recruitment within the pharmaceutical, medical devices and healthcare cluster of industries. Within this group, individual consultants and teams specialize vertically into specific market sectors or functions, providing value add insights to our pharmacists.
- In late March/early April 2016, there were concerns with the lack of employment opportunities for our pharmacy graduate. PSS industry chapter thus put together a CPE session to create a revenue for pharmacy graduates to seek information on career in the pharmaceutical industry. We contacted Yi Ting from BJ, who is also a fellow pharmacist, and decided upon the subject and the date of the talk within a week. The promotion period for this talk is short but we were still able to attract 63 attendees for that evening. The feedback was generally good, and the audience felt that the speakers were engaging and provided enough information. It was a successful event and objectives of information and career opportunities in the pharma industry were met.

Ex-officios	:	Dr ShihLee Chuen, Vivianne Ms Thum Chui Mei, Miko
Chairperson	:	Dr Tan Ken Yu
Members	:	Ms Jamie Stephanie Ms Poh Bao Hui Ms Sheryl Cheng Ms Teo Wen Ling Ms Tran Anh Nhi

#### Missions:

This subcommittee under the Professional Education Committee is responsible for organising Continuing Pharmacist Education as well as training programmes for re-entry into practice.

- 1. To provide comprehensive Continuing Education programmes for pharmacists from all sectors, to ensure they remain current in knowledge and skills.
- 2. To continually develop and expand the scope of topics covered in the Continuing Education programmes in keeping with evolving healthcare landscape and training requirements.
- 3. To organise relevant courses and accreditation programmes for Pharmacy professionals.

The committee has continued to collaborate with other PSS Chapters such as the Community, Industry and Young Pharmacist Chapters to avoid duplication in the CEs provided by PSS. We had strived to add variety to the CEs provided with the main aim of catering to the diverse needs of pharmacists and from Jan 2016, non-pharmacy related topics have been incorporated as well.

Besides the popular pharmacotherapy series of CEs, we will also continue to host CE sessions in conjunction with the launch of the respective modules of the PSS Self Care Guide on Minor Ailments and topics relevant to our industry members.

This year, we have also improved our online CPE platform. The enhanced features of PSS's online CPE platform allow participants to view videos and download materials for their own learning. PSS members can now keep track of their CE activities under "My Account" on the PSS website. These features have been applied to the SIG online case studies as well as the PSS Self Care Guide.

On behalf of PSS, we would like to express our sincere gratitude to all the speakers, who had volunteered their valuable time to share their expertise and knowledge with our PSS members. In addition, we would like to thank our committee members for their dedication and for volunteering their time to ensure the smooth delivery of these CEs. Special thanks to the PSS Secretariat as well for their administrative support and sponsors who had provided educational grants.

We truly hope that the committee's effort have brought about CE sessions that have met the needs of our members and they have benefited from them.

The annual PSS Pre-registration Pharmacists' Training Programme comprises of a series of lectures and interactive discussions aimed to equip pre-registration pharmacists with the necessary skills and knowledge to practice safely and competently as pharmacists. The programme is organised by the PSS Pre-registration Pharmacist Training Committee, a group of dedicated pre-registration training coordinators from all certified training institutions in Singapore.

Chief pharmacist and chief preceptors from various institutions

The training curriculum is revised by the training coordinators every year, taking into consideration relevant inputs from training coordinators and feedback from past year pre-registration pharmacists.

The programme aims to allow the pre-registration pharmacists to gain relevant knowledge and geared them towards the preparation for the SPC competency examination by:

- Facilitating the application of academic knowledge to real-life practice
- Exposure to real life cases for better appreciation of the importance of rules, regulations and principles in governing safe medicine use
- Bringing together relevant specialisation topics from various training institutions to enrich the training programme for a holistic learning experience

The pre-registration pharmacists are also being exposed to the different roles within the pharmacy profession that can be pursued in terms of career and professional development after pre-registration training.

We have a total of 180 pre-registration pharmacists this year, including foreign graduates seeking a Pharmacy career in Singapore. Proof of completion of the PSS Pre-registration Pharmacist Training Programme is required by SPC as a registration requirement.

#### Key Activities/Information given in FY2016/2017

- The Training Programme runs from 25 June 2016 to 18 March 2017.
- Training sessions were held approximately every fortnight.
- Invited speakers and facilitators were mostly pharmacists practising in both patient-care and non-patient care sectors (e.g. regulatory, research and sales) of the profession. Other healthcare professionals (e.g. physicians) were invited for selected sessions to complement pharmacists' teaching and to introduce interdisciplinary collaboration in their respective fields of working together.
- The Pre-registration Training Opening Ceremony on 25 June 2016 was jointly organized by Singapore Pharmacy Council (SPC) and PSS.
- Ms Ng Hong Yen (President, PSS) opened the session by giving the new batch of preregistration pharmacists a better understanding of PSS and its history, purpose and honourable achievements.
- Asst. Prof Lita Chew (Chief Pharmacist, SPC) provides an insight on pharmacists' profession and its role with the healthcare situation in Singapore.
- Ms Felicia Ling (Executive Secretary, SPC) gave an extensive overview of the pre-registration training programme and Dr Lou Huei-Xin (chair, SPC Board of Examiners) briefed them on the SPC competency standards and examination.
- Ms Shirley Ng (Chairperson, Pre-registration Pharmacists Training Committee) briefed them on the training programme and shared the rules and regulations of the training sessions.

# WSQ CERTIFIED PHARMACY TECHNICIAN COURSE

Management Representative : Mr Ng Cheng Tiang

The Certified Pharmacy Technician Course (CPTC) conducted by PSS has entered yet another important stage as due to several significant developments throughout the course of 2016. Some of the more important ones are listed below:

- PSS remained the sole provider of the CPTC accorded with the Approved Training Organization (ATO) status by the then Workforce Development Agency. PSS' ATO status was also exempted from the scheduled audit partly due to the good result scored during the previous audit.
- The year 2016 marked the consecutive and uninterrupted running of the CPTC programme which started more than two decades ago. There were 22 candidates for the 28<sup>th</sup> and 29<sup>th</sup> CPTC intakes who enrolled for the full training programme and 15 candidates for certain specific modules. Out of these 37 candidates, 31 of them were sponsored by their employers; and 6 were self-sponsored as they are from non-hospital setting.
- 2016 was also the year that the government has decided to reorganize the national workforce training strategy, splitting Workforce Development Agency (WDA) into Workforce Singapore (WSG) under Ministry of Manpower, and SkillsFuture Singapore (SSG) under the Ministry of Education. The mission of both statutory boards remain the same ie. to build and ensure that workforce in Singapore remains competitive and prepared to take on the new challenges posed by globalization and the rapid technological advancement.
- In parallel with the restructuring of WSG and SSG, the Chief Pharmacist's Office at the MOH has also been working to ensure that the job scope and roles of Pharmacy Technicians (PTs) remain current and future-ready. More crucially the career development path for the PT to progress further in our health system has been put in place. The current WSQ accredited CPTC programme will be aligned with the MOH's standards to ensure entry-to-practice competencies are applied consistently. We could expect the current CPTC programme to be revised accordingly to align with the MOH standards.

In order to improve the CPTC programme and to attract more candidates for enrolment, PSS will continue to work closely with our trainers and stakeholders, and more importantly taking in the candidates' feedback in the regular review. It is also vital to regularize and bring in more professional elements into the programme instead of the semi-voluntarism model, ie. to have trainers who will be running the programme professionally, ideally full time; and to have a more focused planning holistically. This is to ensure that the programme moves in sync with and adds value to the evolving healthcare landscape as a whole.

Pharmacy Week 2016 continued on the main theme of "Just Ask" from Pharmacy Week 2015 but focused on the second subtheme "**Own Your Health, Take Action Today!**" Similar to last year, the committee worked on two main thrusts - inter-professional education to carry on deprescribing efforts to reduce inappropriate polypharmacy, and public outreach to educate about the importance of owning their health.

Our team of 40 comprised one main steering committee and 4 sub-committees. The breakdown of each sub-committee is as below:

Inter-professional Education	7
Public Education	18
Publicity	6
Sponsorship	4

## **Interprofessional Education (IPE)**

Carrying on from the deprescribing initiatives and outreach in 2015, the IPE subcommittee worked towards raising awareness of polypharmacy within the community care setting and encouraging fellow healthcare professionals to "own" their patients' health by starting to review and deprescribe unnecessary medications. There were four main approaches:

## 1. Deprescribing Lectures to Community Doctors

One-hour introductory lectures on deprescribing were delivered to doctors in NHGP Jurong and Woodlands polyclinics. The aim of the lecture was to introduce deprescribing to the polyclinic doctors by educating them on the 5-step deprescribing process and how to deprescribe proton-pump inhibitors (PPIs) systematically. Pre- and post-lecture case studies were used to gauge the effectiveness of the lecture.

Following the pre- and post- survey, a trend towards more line items being deprescribed (as much as a net reduction of 5 doses) after the lecture was found:

	Dose Count	Pill Count
Original Medications	32	33.5
Pre-Survey	15.18	14.56
Post-Survey	9.26	8.78
Net Difference (Pre-Post)	-5.92	-5.78

 Table 1: Number of medications deemed appropriate by the audience pre- and post-lecture (based on the case study illustrated)

## 2. <u>Deprescribing Workshop at 26<sup>th</sup> Singapore Pharmacy Congress (SPC)</u>

Feedback from last year's workshop was that both hospital and community pharmacists were interested in hearing more about the Ins-and-Outs of deprescribing, and how to start up an initiative in their own institutions. This year, a panel of pharmacists from KTPH, NUH and NHGP was gathered to share on their deprescribing initiatives in the outreach, acute care and primary care settings, respectively. Valuable insights on the challenges they faced while carrying out these initiatives at their workplace were also shared.

Majority of the participants found the workshop informative and useful, providing good coverage of various deprescribing strategies. Topics for consideration in future deprescribing workshops include discussion of more controversial issues, such as deprescribing of antiplatelets and statins, as well as tactical ways to deal with patients' or caregivers' resistance to having their medications deprescribed.

## 3. <u>Revised Proton Pump Inhibitors (PPIs) Deprescribing Pocketcards</u>

Following the publication of the PPIs deprescribing algorithm by the Ontario Pharmacy Research Collaboration, the subcommittee revised last year's deprescribing pocketcard to include a practical, step-by-step guide to deprescribe PPIs safely and systematically. In this year's revised edition, the pocketcard was furbished with deprescribing strategies such as dose tapering and discontinuing PPIs with useful tips on monitoring post-deprescribing. Appropriate and inappropriate indications for PPIs, as well as its adverse effects were revised based on the most up-to-date evidence. A total of 2000 revised pocketcards were printed and distributed to doctors and pharmacists in various institutions across Singapore. The participants at the deprescribing workshop for pharmacists and deprescribing lectures for doctors generally found the pocketcards useful.

# 4. Deprescribing monthly E-bulletins

Based on various feedbacks that not all pharmacists were aware of the deprescribing initiatives held by the Pharmacy Week 2015 committee, the subcommittee launched a series of 5 monthly E-bulletins as a platform to introduce deprescribing to healthcare professionals in particular, pharmacists. The aim of the e-bulletins was to raise awareness on deprescribing and deprescribing efforts held last year in various institutions. These bulletins were circulated via email to all PSS members, and to pharmacy departments of various institutions across Singapore. The last issue of the e-bulletin was published in November. Moving forward, a Deprescribing Workgroup will be set up to continue all deprescribing efforts.

## Public Education & "Own Your Health @ North West" Fair

This year, our team focused on 3 key public education messages aimed at 3 generations:

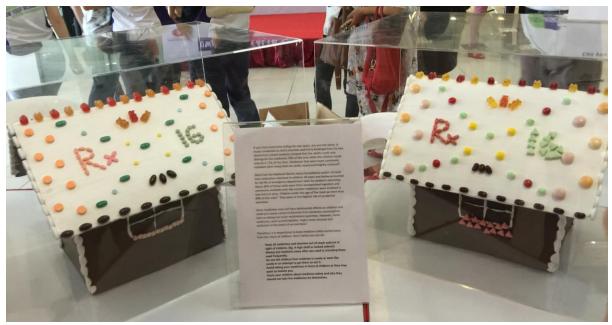

- 1. Own Your Child's Health: Protecting the Young
  - Safe administration of medications at home
  - Storage of medications out of children's reach
- 2. Own Your Health: Dealing with Minor Ailments for You and Me
  - Effective management of minor ailments (such as Cold / Cough / Flu)
  - Awareness on when to seek medical help
- 3. Own Your Parent's Health: Living with Chronic Conditions
  - Importance of the Patient Medication List (PML)
  - Medication Reconciliation

The Public Education subcommittee organised the "Own Your Health @ North West" fair held on 16th Oct 2016 at Woodlands Civic Centre, in collaboration with North West Community Development Council (NWCDC) and National University of Singapore Pharmaceutical Society (NUSPS). The team prepared many activities that engaged all 3 generations of the public such as a colouring contest and a puppet show for children, interactive games, posters and static displays to educate adults and elderly about the 3 key messages. These activities also offered opportunities for the pharmacy students to hone their communication skills with the public. The event was graced by Minister Khaw Boon Wan and was well received by the public based on the post event survey. More than 500 participants attended the event and 31 medication review sessions were conducted.

One of the activities for the children - colouring contest

Participants were encouraged to tour all booths indicated on the event map, to collect goodies at each booth. The busiest booth of the fair was "The Pharmacy Experience" where a mock pharmacy was set up. This booth aimed to educate on the importance of judicious use of medications, factors to consider in reducing undesirable side effects and, of course, to ask your pharmacists when in doubt. Case scenarios were given to participants to pick the most appropriate medication based on the conditions and medical history that were given. Pharmacist volunteers seized the opportunity to counsel on the choice of medications, and helped to tackle any questions the participants might have.

One of the activities booths – Candies or Medicines

The last booth was the survey booth, where volunteers helped to administer a survey, hosted by Google Forms, via IPad. Participants chose between 4 choices: strongly agree, agree disagree and strongly disagree. Questions asked were:

- 1. I am more confident in managing my family's medicines.
- 2. I know the importance of storing medicines away from children
- 3. I learnt that there are different ways to administer accurate doses of medicines to children.
- 4. I know how to better select medicines for self-care for myself/my family.
- 5. I see the importance of having a medicine list for myself/my parents.
- 6. I will ask my pharmacist if I have questions regarding medicines.
- 7. I have benefited from today's activities.

A total of 282 responses were gathered with 98.5% of participants felt that they had benefited from the event.

In addition to the health fair, the subcommittee conducted a pre-event public forum titled, "Pharmacist, your partner in Owning the Health of 3 Generations", held during 26<sup>th</sup> Singapore Pharmacy Congress at Suntec Convention Centre on 8th Oct 2016. Invited speakers including Dr. Tan Wei Wei (Senior Principal Clinical Pharmacist, KK Women's and Children's Hospital), Mr. Anson Lim Zong Neng (Senior Pharmacist, Watson's Personal Care Stores Pte Ltd) and Miss Constance Neo Xue Rui (Senior Pharmacist, Khoo Teck Puat Hospital), shared their professional advice on how the public may own their health and addressed some common questions posted by participants from different age groups.

## **Publicity**

With this year's theme of "Own Your Health, Take Action Today!" in mind, the Publicity subcommittee designed a theme poster illustrating the 3 key messages for each generation. The same theme poster was used in all publicity materials as key identity. The "Just Ask!" logo was also revamped to highlight this year's theme: Own Your Health.

Branding kits to share the messages/themes with pharmacy departments of various institutions were split into 2 parts to facilitate timely dissemination of information. First kit introduced the theme and the second contained educational materials and details of the fair.

A multi-pronged approach was taken to ensure a wide outreach to the general public. Outreach avenues included social media platform: Facebook, internet: PSS website, print media: Today Newspaper advertisement, magazine articles in Caring and Livewell, and publicity posters on notice boards of void decks.

Facebook posts relating to the 3 public education messages were shared every week on the Singapore Pharmacy Week 2016 Facebook page from Aug 2016 to Oct 2016. On average, each post reached out to an average of 2700 people (versus 300 in 2015). The pop quiz on one of the key public education messages was very well-received by the public, garnering a reach of 10,600. During Pharmacy Week, posts on Pharmacy Week activities at various institutions were shared daily on the Facebook page. This generated great awareness about Pharmacy Week, with the number of profile likes quadrupling from last year (804 from 200). The page served as an archive of pharmacy week activities as a way to attract sponsorship. The PSS website on Pharmacy Week (<u>www.pss.org.sg/pharmweeksg</u>) was revamped, and materials related to the different Public Education messages were categorised and represented by icons for easy navigation by the public.

The Pharmacy Week team also published two articles in health magazines. One of which was an article on polypharmacy focusing on the importance of owning a patient medication list. This was published in Caring Magazine (in both English and Mandarin), a magazine publication by Changi General Hospital. The second article, published in Livewell magazine, focused on how pharmacists can help with the management of minor ailments. In addition, a one-page Today advertisement bearing the theme poster and the 3 key Public Education messages was published a week prior to the "Own Your Health @ North West" fair.

With the help of North West CDC, the committee released a media invite to major media sources prior to Pharmacy Week. The event received very extensive media coverage, including a live interview and news report on Channel News Asia, Channel 8 and Channel U. It was also reported in newspapers including The Straits Times, Today, Lianhe Zaobao, My Paper and Berita Harian. In addition, Dr. Soong Jie Lin (Senior Clinical Pharmacist, Singapore General Hospital) was invited to share about polypharmacy and how to minimise inappropriate polypharmacy on 938 Live Body and Soul radio program, while Mr. Anson Lim went on Channel 8 Hello Singapore program to speak about the management of minor ailments.

#### **Sponsorship**

The committee received a total of \$2500 of cash sponsorship. In addition, the committee applied for the WeCare fund under North West CDC, which covered all expenses incurred by holding the fair (\$9253.04). Including the balance from Pharmacy Week 2015 (\$911.04), there was a surplus of \$2897.44 after taking into account expenditure of \$513.60 from IPE.

The committee also received product sponsorship from many companies.

The sponsored products were given out during the fair, which attracted huge crowds to the event.

#### **Conclusion**

Pharmacy Week 2016 was held successfully and this could not be achieved without the time and effort invested by each and every one of the committee since December 2015. There was great tenacity and excellent teamwork displayed by this year's committee despite each individual's busy schedule. Much can be anticipated for Pharmacy Week 2017 that focuses on the third subtheme "Befriend Your Pharmacist".

# **YOUNG PHARMACISTS CHAPTER**

Ex-Officio	:	Ms Chean Ning Wei, Tracy
Chairperson	:	Ms Cindy Chew
Vice- Chairperson	:	Ms Tien Li Chen
Secretary	:	Ms Nguyen Thi Hai Van
Treasurer	:	Ms Shermain Ng Yali
AYPG Liaison	:	Mr Ong Kheng Yong
Members	:	Mr Aaron Jason Martin Ms Anthea Lee Jia Ying Mr Franky Mr Marshall Liu Mao Sheng Ms Tran Anh Nhi

#### **Mission**

- 1) To engage young pharmacists to foster a greater sense of belonging to the profession
- 2) To foster stronger cooperative ties between NUSPS and PSS, by engaging pharmacy students in PSS organized events or vice versa.
- 3) To provide avenues for greater social interaction
- 4) To form and develop an able Young Pharmacists group that can represent Singapore/PSS at a regional and international level.

To streamline and better align the objectives of the Young Pharmacists Chapter (YPC) to the Pharmaceutical Society of Singapore (PSS) direction, we have embarked on a strategic planning for the year 2016. We have decided to focus in the areas of skills development, engagement with not just the practising pharmacist but also the pharmacy students and social networking. These were carved out with the intention of developing both the young pharmacists and the pharmacy students.

YPC has embarked on several projects in 2016. Under the skills development, we have started our pilot project on a series of financial literacy workshop. These workshops were organised in conjunction with MoneySense Singapore, a non-profitable

First Financial Literacy Workshop

organization. The first session on 'Introduction to Financial Literacy' was held on the 9 January 2016. It received welcoming responses of 35 participants with numerous positive feedbacks. The numbers of participants were beyond the projected 20 participants. Subsequently, we continued to organise another 2 sessions on 'Introduction to Investment' and 'Building your Nest Egg' in April and October respectively.

In addition to catering to the young pharmacists, YPC had also embarked to work with the National University of Singapore Pharmaceutical Society (NUSPS) students to support them in the planning of their events. Events that YPC were working on include the sharing sessions by practicing pharmacists and nursing homes attachment opportunities.

FAPA Leadership Forum

To promote networking between the young pharmacists in Asia, the YPC also participated in the Federation of Pharmaceutical Association (FAPA) congress and the Asian Young Pharmacist Group (AYPG) Leadership Forum in Bangkok and Cambodia respectively, in November 2016. This year, two of our YPC members, Ms Tracy Chean and Ms Cindy Chew represented Singapore at the AYPG forum. Topics on the paradigm change in the pharmacy education structure and the pharmacist training programme in Singapore were shared. Besides the opportunity to share and explore, it also served as a platform for the young pharmacists and students to discuss issues concerning the pharmacy profession in Asia. To promote networking, there were also social sessions organised for participants to interact.

APYG Forum

As part of YPC annual event, the Sport Day was held in November 2016 at Ang Mo Kio Secondary School, breaking away from the tradition of holding it in NUS. The event was dampened by the heavy downpour which led to the need to call off the event. In spite of the heavy rain, there were still a total of 5 teams from the various institutions who attended the event.

In the effort to understand the needs of the pharmacists and enhance the type of activities that PSS organised, YPC had also initiated a membership survey in November 2016. From the survey, the genre of activities stands out as a crucial factor to the participation of pharmacists. Majority of the members were interested in the activities evolving around pharmacotherapy, health education and management.

In conjunction with the annual appreciation dinner in thanksgiving to all the volunteers who had supported PSS in the year of 2016, YPC organized a New Year cum Appreciation Dinner in January 2017 together with the Hospital Chapter. This event has provided an opportunity for PSS to reach out and thank all the pharmacists who had contributed to the society in one way or another.

Looking into 2017, YPC plans to move towards not just growing the young pharmacy profession locally and in Asia but also to serve as a bridge between the students and the practicing pharmacists. YPC also aspire to collaborate and work closely with the various chapters to organise activities pertaining to the fields as identified from the survey.

The 26<sup>th</sup> Singapore Pharmacy Congress was successfully held *at the Suntec Singapore Convention & Exhibition Centre* on 8<sup>th</sup> and 9<sup>th</sup> October 2016 and was attended by about 800 participants, from both local and overseas including America, Australia, Brunei, Hong Kong, Indonesia and Malaysia. As preamble for the 2-day main congress, a series of 4 pre-congress workshops were held. In addition, PSS partnered HIMSS Asia Pacific and American Society of Health-System Pharmacists (ASHP) to organise the inaugural Medication Informatics Practice Workshop and Medication Safety Symposium as part of the HIMSS Asia Pacific Singapore eHealth Innovations Summit 2016 before our congress event.

This year's congress entitled "Patients – Our Partner in Care" reflected the imperative need to proactively engage patients and caregivers in understanding about their needs and expectations. This is particularly important for the eminent changes in our local healthcare landscape, facing challenges with rapidly ageing population and changing disease patterns.

Mr Chan Heng Kee, Permanent Secretary, Ministry of Health, Singapore, who graced our congress as Guest-Of-Honour, concurred that our healthcare system needed revamp to meet these changes. He shared that pharmacy and pharmacists can play a key role in Singapore healthcare transformation by focusing on (i) achieving better health for the population; (ii) advancing preventive care within communities; (iii) promoting safe and effective medication use; and (iv) encouraging and enabling pharmacists to play an active role in care integration.

True to the spirit of the congress theme on partnership with patients, the congress was opened with a captivating Cajun performance by pharmacy personnel (in white coat) and members of the public.

The opening ceremony also witnessed the officially launch of the "Guidelines for Supply and Delivery of Medications to Customers" and the "PSS Practice Guide for Minor Ailments" as well as the presentation of the following awards:

- Community Pharmacy Health Champion Programme (CPHCP) Awards: Mr Anson Lim Zong Neng, Ms Ng Siow Tian, Ms Hong Jiemi, Ms Soong Lai Leng, Ms Grace Lee, Ms Tan Ming Ming, Ms Chang Yung Yung, Mr John Knaggs, Ms Germaine Soo Gian Wan, and Ms Teng Wei Ting
- PSS Student Overseas Enrichment Award: Ms Vivian Chin Hui Min, Ms Yvonne Ng Wan Xin
- PSS-NUS Student Book Prize Award: Ms Joceline Ng;
- PSS-LF Asia Community Pharmacist of the Year Award: Ms Goh Shiar Yin, Sharene
- PSS-Shire Hospital Pharmacist of the Year Award: Ms Hooi Pik Yee
- Mrs Tan Shook Fong-PSS Innovation and Scientific Research Award: Ms Tan Lay Keuan

Day 1 of the congress was designed to provide insight into the evolving healthcare, pharmacy practice landscapes and patients/caregivers' expectation of care. To meet this objective, we included keynote symposium by Dr Paul W. Abramowitz and A/Prof Kenneth Mak on "Evolution of Pharmacy: Future Models of Care" and "Transforming Our Model of Care - Challenges and Aspirations" respectively. The first dialogue session involving pharmacist, physician, patient, caregiver and industry player on working together to address the patients' and caregivers' needs for today and tomorrow was also well received during the congress.

Pharmacy Technicians, our pharmacists' partner in the provision of pharmaceutical care and medication management, are identified as an important stakeholder in our National Pharmacy Strategy. For the first time, PTs are involved as part of the congress organising committee, and the

ANNUAL REPORT 2016 - 2017

inaugural PT Symposium was held on day 1 of congress. The symposium featured pharmacy technicians as speakers and panellists to discuss the role and practice of pharmacy technicians. In recognition of their involvement and contributions, the congress presented best oral and best poster abstract awards to our pharmacy technician winners.

Complementing insights from day 1, day 2 congress was tailored to deliver a myriad of topics in four main areas: soft skills essential for tomorrow's healthcare practices; how to make research useful; sharing of quality improvements/innovations and clinical updates. We witnessed many interesting and active exchanges of ideas between speakers, as well as between speakers and participants.

In line with congress theme, we hosted a public forum within the congress vicinity for the first time! It was held on 8<sup>th</sup> Oct 2016 (Sat), 10am-2pm. The public forum featured 5 pharmacists and 1 dietitian, with the focus on owning the health of 3 generations, diabetes and skin care.

The congress was not all work but no play. The participants relaxed at social night and networked over drinks.

# **PSS PHARMACIST VOLUNTEER SERVICE** FOR DOVER PARK HOSPICE (DPH) AND HOSPICE CARE ASSOCIATION (HCA)

Coordinator	:	Mr Wu Tuck Seng
Volunteers	:	Ms Quay Siew Ching, Irene Ms Lita Chew Ms Thum Chui Mei, Miko Ms Oh Ching Ching Dr Shih Lee Chuen, Vivianne Ms Wong Huan Yan

Briefly, the PSS pharmacist volunteer service for DPH started in1998 with the aim of helping to ensure safe medication use through proper storage and handling of medicines. In 2000, the service was extended to HCA HospiceCare. Volunteers review donated medicines and see if they can recycle them safely to reduce cost. They pre-pack medicines for inpatient use at DPH and pack ready to use packs of medicines for home visits by the HCA HospiceCare doctors and nurses. The volunteers take turns to provide this service every Saturday for about 2 - 3 hours each time.

## (A) <u>Pharmacist Volunteer Work</u>

For 2016, the PSS pharmacist volunteers continued with the recycling of medicines work. They conducted a total of 52 medication recycling and repackaging sessions at DPH and HCA HospiceCare in 2016.

The volunteer pharmacists had one meeting with DPH management on 16/04/16 at the DPH Council room and updated the staff and volunteers contact information, reviewed the DPH non-standard drug list as well as par levels. The terminologies of standard and non-standard drugs were clarified. Standard drugs being ones DPH will purchase and keep as stock and non-standard drugs will not be kept as ward stocks in DPH and to be purchased by patients if there are no donated stocks or are costly. Methadone is classified as "indent exemption", thus can have as ward stock with set par level. The emergency trolley drugs checklist was also reviewed with comment that the Medical Director can make the decision on what are appropriate emergency kit drugs that are required for DPH setting. There is no change to current work process for pharmacist volunteers and will keep to the same as it has served us well. Mention was made to not overload the refrigerator in the medication room as it will affect air circulation and temperature of the fridge. To remove drugs not required in the fridge where possible. Staff were reminded to ensure fridge door is properly closed. Paracetamol suppositories can be stored at room temperature and does not require refrigeration. Advice was given by pharmacist volunteers on the recording and dispensing of controlled drugs (CD) in home care. A CD book similar to inpatient use should be sufficient. DPH has also established a workflow with TTSH Pharmacy for supply of urgent medications over the weekend and public holidays from the A & E pharmacy. Thank you cards and tokens of appreciation were given by Dr Wu Huei Yaw, Medical Director of DPH to all the pharmacist volunteers at the end of the meeting.

The PSS volunteer pharmacists continue to work with enthusiasm and commitment earning praises from DPH and HCA HospiceCare doctors and nurses.

#### (B) PSS Basic Pharmaceutical Course 2016

PSS Pharmacist volunteers conducted the above course from 16/08/16 to 11/10/16. The objectives of the course were:

- a. To familiarise palliative nurses with drugs, dispensing, and symptom management
- b. To equip palliative nurses with basic knowledge and skills of pharmacology, management of drugs (inventory control, forensic law) drug-drug interactions, medication errors, drug formulation, symptom and pain management

The lecturers for the course were: Mr Wu Tuck Seng, Deputy Director, NUH Pharmacy, Ms Ling Xu Yi, Clinical Pharmacist, KKH, Ms Chang Chia Yang, Principal Pharmacist, KKH, and Asst Prof Lita Chew, Head Pharmacy, National Cancer Centre.

A total of 70 nurses from public and private health institutions attended the course, the biggest cohort we have had since the inception of this course. The course was sponsored with a generous sponsorship of \$2,000 by Lee Foundation for which PSS is greatly appreciative. Total expenses for the course including stationery, course material & certificate printing, refreshment, graduation tea and gifts amounted to \$2,239.60, whilst total income (from course fees and sponsorship) was \$4,760 with a net profit of \$2,520.40.

We value all the work done by the volunteers and their unstinting spirit of giving of their time and knowledge to help with medication management at DPH and HCA HospiceCare. A big thank you to all the lecturers of the PSS Basic Pharmaceutical Course 2016 and the PSS secretariat for their support.

Pharmacists who are interested to volunteer, please contact Tuck Seng at <u>rlwts7@gmail.com</u> or call 67725007.

In March 2016, the name of workgroup was renamed from PSS Nursing Home Pharmacists Workgroup to PSS ILTC Pharmacists Workgroup to be more inclusive as the team now comprises of pharmacists involved in community hospital, day care centres and potentially home care services in the future. The workgroup is pleased to report that the following events and milestones this year.

Members of the PSS ILTC Workgroup (some members not present)

## (A) <u>Workgroup Related Milestones</u>

**Update to Pharmacy Directors/Managers:** The PSS ILTC Pharmacists Workgroup held its inaugural management meeting on 30<sup>th</sup> June 2016 to update directors/managers of the institutions represented by pharmacists in the workgroup. Key updates and sharings included ILTC Pharmacists Workgroup accomplishments in the past few years and future plans in the ILTC sector.

The PSS ILTC Pharmacists Workgroup also sought the management's support for members to continue their work in the workgroup and thanked the management for their support and understanding.

Grace Kng presented the journey of the PSS ILTC Pharmacists Workgroup

Pei Chean led the questions and answers session

**Signing of Memorandum Of Understanding:** On 30<sup>th</sup> September 2016, the workgroup signed the 3<sup>rd</sup> Memorandum of Understanding (MOU) between PSS and the Agency for Integrated Care (AIC). This MOU is valid from 1 Oct 2016 to 30 Sep 2018. PSS will continue to support the implementation of pharmaceutical care program i.e. to conduct medication audit, review, and medication management training runs to the various ILTC organisations in Singapore. Taking on feedback received from AIC, learning objectives of the training runs were revised for 2016-2017. Two brand new topics were added to the list of topics delivered last year and new subtopics were added.

In addition, AIC requested for the workgroup's assistance in this new MOU to provide advisory support in the development of educational materials. One such project involved the drafting of 3 educational posters to be provided to nursing homes. Finally, the new MOU will also allow AIC to request for PSS reports on medication audit finding, but this will only take place upon receiving consent from the individual ILTC organisation to release such information.

**Other improvements within the workgroup**: A meeting between representatives from the workgroup with AIC and MOH representatives was set up in September 2016 to provide feedback on Enhanced Nursing Home Standard (ENHS) and to seek clarifications on certain audit criteria. Issues discussed included controlled drugs (CD) handling, ENHS Licensing Terms and Conditions (LTC) and Medical Records LTC. These changes were added in to the current medication audit criteria in November 2016. In addition, the workgroup also engaged the Ministry of Social and Family Development (MSFD), in order to clarify queries on the MSFD Medication Management guidelinesand to make constructive suggestions towards the next phase of development.

Finally, the workgroup is developing a standardised training framework for workgroup members. The framework will include a training plan as well as training checklist and peer review form to enable workgroup members to achieve and maintain high standard of practice in their daily work.

# (B) <u>Public Talks and Trainings</u>

In 2016 various members actively represented the workgroup through conducting talks on ILTC related topics to the general public. Such talks included:

(Apr 2016) Talk on Challenges in Medication Management: At the invitation of AIC, Su Ting spoke about the challenges in Medication Management in the community care sector. Attended by directors of nursing, nurses and some pharmacists, the session was well received by all attendees.

Su Ting speaking on challenges in medication management

Pei Chean and Grace Kng with Ms Patty Ying Pi Yang (Taiwan Pharmacist Association, Director of International Affairs)

# (Nov 2016) Presentation at the Integrated Pharmaceutical Care for an Aging Society Conference

**Taiwan:** Pei Chean and Grace Kng, were invited to the 2016 Taiwan Society of Health System Pharmacist Congress themed "Integrated Pharmaceutical Care for an Aging Society" to share on Singapore's experience in establishing pharmacists' role in the ILTC sector.

This allowed for an excellent exchange of ideas on managing the aging population with our Taiwanese counterparts. The PSS ILTC Pharmacists workgroup is very grateful for this opportunity to showcase our work on an international platform, as well as the chance to observe the local practices and innovations used by the Taiwanese pharmacists in our shared goal to improve the healthcare of our aging populations.

(Dec 2016) Fall risk prevention talk to the SPD: Grace Lee presented a bilingual (Chinese and English) health talk to a group of stroke survivors from SPD, formerly known as the Society for the Physically Disabled. The topics included an overview on how medications can increase risk of falls and how to sleep better as part of a pilot program Stepping On after Stroke (SOAS) developed for community stroke survivors in SPD.

Grace Lee speaking on "Medications and Fall Risk" and "How to Sleep Better?"

## (C) <u>Clinical Projects</u>

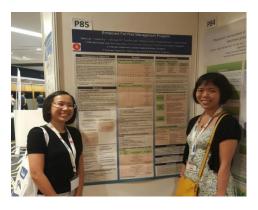

Finally, in 2016, the workgroup conducted two major clinical projects.

**Fall Risk Prevention Pilot Project:** Between December 2015 to Feb 2016, in collaboration with AIC and the Asian Women's Welfare Association (AWWA) day care, several pharmacists (Reshma, Grace Lee, Grace Kng, Poh Leng and Quan Qi) from the workgroup conducted medication reconciliation to derive an updated patient medication list for 10 clients as part of an AIC project to reduce falls. Pharmacists were successful in identifying and resolving 8 drug related problems during medication review. While client education resulted in some improvement in the knowledge of fall risk medications, it was hampered by language barriers and cognitive function of the client. Future studies will aim to improve theof information between clients and pharmacist.

At the 26<sup>th</sup> Singapore Pharmacy Congress (SPC) in October 2016, a poster on this project was accepted for presentation.

Project members standing next to poster presented Left picture: Wing Lam, Grace Lee and Reshma

Right picture: Wing Lam and Poh Leng

**DRP projects:** In late 2015, the PSS ILTC Pharmacist Workgroup created a standardized ILTC Drug Related Problems (DRPs) classification system. In August 2016 the classification system was evaluated for its reliability and ease of use as a National University of Singapore pharmacy student Final Year Project (FYP) under Dr Yap Kai Zhen with Quan Qi as the main supervisor. This study will help contribute towards the development of a validated, standardised DRP classification system for the ILTC setting, enabling a more accurate assessment and demonstration of the impact of pharmaceutical care services in the ILTC setting. This wpould also facilitate further research with regards to the types and frequencies of DRPs encountered in the ITLC setting. The preliminary results are targeted to be ready by Jun 2017.

## (D) <u>Conclusion</u>

2016 has been a monumental year for the ILTC Pharmacists workgroup. With the guidance of the existing advisors, the members of the workgroup will continue to focus on improving not only the workgroup's competency, but also in increasing our outreach to other sectors of ILTC such as day care and even home care.

NUSPS is the student body representing the pharmacy undergraduates in NUS while North West CDC is one of the 5 CDCs in Singapore, tasked to promote community bonding and social cohesion in the North West district of Singapore. Launch in 2 July 2011, the "Know Your Medicines. Get It Right! @ North West" program aims to harness the energy of NUS Pharmacy undergraduates and expertise of registered pharmacists in making a positive contribution to the community. In this program, NUSPS, PSS and North West CDC partner with voluntary welfare organisations, neighbourhood links, senior activity centres and North West Grassroots Organisations to conduct medication review, disease awareness outreach and talks to guide elderly patients on the safe and proper use of medications.

Other than helping the elderly to maximize the therapeutic effects of their medication with medication safety in mind, this program also strives to reach out to the community to educate the public about the role of pharmacists as the trustworthy medication experts and caring partners in managing their health. At the same time, this event fosters closer relations between pharmacy undergraduates and pharmacists from PSS. Students can benefit from the sharing of experience and knowledge by the pharmacists. Last but not least, it allows students to apply their drug knowledge and practise their patient counselling and communication skills, under the guidance of pharmacists.

NUS Pharmacy undergraduates and PSS pharmacists volunteers serving the community at North West CDC

In the past year, we attempted to scale up "Know Your Medicines, Get It Right! @ North West". The event was held three times on 27 Feb 2016 (at Kebun Bahru), 26 March 2016 (at Sembawang) and 28<sup>th</sup> August 2016 (at Limbang). For the event at Kebun Bahru and Limbang, the Pharmacy Profession and Awareness Committee (PPAC) under NUSPS were also present to educate the public on safe use of medications through educational posters and games. Since its inception in June 2011, 15 such community outreach events were held to date at different areas under the North West district such as Chong Pang, Clementi, Bukit Panjang, Marsiling and Nee Soon and have benefited more than 1500 senior residents.

The North West CDC is very impressed with the professionalism and commitment of our student and pharmacist volunteers. NUSPS and PSS were conferred a WeCare @ North West Award at the North West Volunteers' Night 2014 on 2 Mar 2014 and this program was featured as one of the collection of inspirational stories of selfless volunteerism, transformed lives and ground-up initiatives in the CDC SG50 commemorative book "CDCs Celebrating Communities" (see Page 131 "Medication 101 in the Heartlands", https://cdc.org.sg/SouthEast/Newsroom/CDC\_Celebrating\_Communities\_SG50\_Book)

This is a very meaningful collaboration and we are grateful for all the students and pharmacists who have come forward as volunteers to serve the community. NUSPS and PSS will continue to collaborate on such community outreach.

Please email A/Prof Teng Bee Choon, Christine (<u>christeng@nus.edu.sg</u>) if you like to volunteer for such community outreach events in the future.

# **RAPPORT WITH OTHER INTERNATIONAL REGIONAL ORGANISATIONS** FEDERATION OF ASIAN PHARMACEUTICAL ASSOCIATIONS (FAPA)

Federation of Asian Pharmaceutical Associations (FAPA) is a federation representing professional pharmacist associations/societies across Asia (which also includes the Oceania and the Middle-East). The region covers a highly diverse geopolitical, socio-economic, cultural and ethnic background bound together by a common purpose, viz. pharmacy.

In 2016, the FAPA Membership grew to 19 ordinary members following the addition of Emirates Pharmacy Society and Myanmar Pharmacist Association.

Under the leadership of President Joseph Wang, FAPA aspires to be more engaging and actively involving all member associations through his popular slogan of "We Are One".

Throughout the year, the following were some of the events held:

## **FAPA Bureau Meeting in Philippines**

• There was also an Anti-microbial Resistance (AMR) Workshop held in conjunction with the FAPA Bureau Meeting in Manila in March 2016. The Bureau Meeting cum AMR workshop was also the perfect occasion to officially sign the FAPA Congress memorandum of understanding with the host – Pharmaceutical Association of Thailand under Royal Patronage.

FAPA Bureau meeting in Manila which was also platform to sign the MOU for FAPA Congress to be held in Bangkok.

#### Good Pharmacy Practice and Community Pharmacy Workshop in Japan

• This was held in collaboration with the Japan Pharmaceutical Association in Aug 2016. The workshop was specifically targeting pharmacists from developing countries with financial support coming from FAPA Foundation of which has been heavily funded by President Joseph Wang personally.

#### **Disaster Relief and Social Responsibility:**

• FAPA also rallied its member associations to play their social responsibilities as exemplified by the outpour of supports to help out with disaster relief of the recent Nepal earthquake victims. A total of more than USD200, 000 was raised to help the victims and pharmacists tide through the difficult period. The fund was handed over to the Pharmacy Council of Nepal for distribution.

## 26<sup>th</sup> FAPA Congress in Bangkok

• This has always been the highly anticipated event held every alternate year during an even year. The 2016 edition returned to Bangkok after 12 years when Bangkok was playing host. Close to 1,300 pharmacists converged in the Bangkok International Trade and Exhibition Center (BITEC). The initial part of the opening ceremony was a tad sombre due partly to the recent demise of the Thai King. Despite the mourning period, the usual colourful spectre of performances, celebration, fellowship at the opening ceremony, and the pre-departure gala dinner performance were highlights of the Congress.

FAPA Congress opening ceremony with colours and traditional dance.

Not less exciting was the Singapore troupe humming away during the Gala Dinner

• There was also a pre-congress workshop on Non-communicable Diseases held prior to the Congress opening ceremony in collaboration with all the FAPA member associations and the WHO WIPRO

Pre-congress NCD Workshop

## **Next FAPA Congresses:**

- The next FAPA Congress in 2018 will be held in Manila, hosted by Philippine Pharmacists Association.
- The 2020 FAPA Congress will be hosted by Hong Kong Pharmaceutical Society.

# WESTERN PACIFIC PHARMACEUTICAL FORUM (WPPF)

In 2001, the Western Pacific Pharmaceutical Forum (WPPF) was formed in Singapore with the aim of bringing the Western Pacific regional national pharmacy associations together to enhance interaction, dialogue, understanding and activities that will enable the pharmacy profession gain greater impact on improving pharmacy services and health of the people.

## The Executive Committee of the WPPF comprises the following members:

President:	Mr John Jackson	(Australia)
Vice President:	Dr Tony YH Tarn	(China Taiwan)
General Secretary:	Mr Reynaldo Umali	(Philippines)
Executive Secretary:	Dr Suzanne Caliph	(Australia)
Executive Members:	Mrs Kyung-Shin Bae	(Korea)
	A/Prof Wai Keung Chui	(Singapore)
	Mr Nobuo Yamamoto	(Japan)
	Mrs L Ocampo	(Philippines)

In the year 2016, the WPPF Executive Committee met at the venues and dates stated below:

- (1) The 1<sup>st</sup> meeting was held online on 15<sup>th</sup> Feb 2016
- (2) The  $2^{nd}$  meeting took place in Singapore on  $30^{th}$  Apr  $1^{st}$  May 2016
- (3) The 3<sup>rd</sup> meeting was another online meeting that occurred on 12<sup>th</sup> Dec 2016
- (4) The Annual General Meeting took place in Manila on 27<sup>th</sup> Sep 2016

Some of the projects and main activities of WPPF that took place in 2016 include the following:

- (1) The scholarship winners for 2016 FIP-WPPF Travel Grant went to:
  - Mr. Cristan Agaceta from the Philippines and
  - Ms. Su Su from China

Both the winners attended the FIP World Congress 2016 at Buenos Aires which took place on 27 Aug – 1 Sep 2016. The theme of the congress was "Reducing the global burden of disease – rising to the challenge".

- (2) The highlight of the year was the award of a sum of up to €11,500 to WPPF for its submission of a project proposal entitled "Improving the capability of the pharmacy workforce to implement Good Pharmacy Practice in the local health care systems of the Western Pacific region." The proposal received good review from the FIP Foundation for Education and Research and was considered as a proposal of "high quality, very innovative and with a potentially high impact in the region".
- (3) With the award, WPPF spent the rest of the year planning and organizing a summit titled "Improving the capability of the pharmacy associations to implement Good Pharmacy Practice in the health care systems of the Western Pacific Region". The summit took place in Manila, the Philippines, on 26<sup>th</sup> and 27<sup>th</sup> September 2016. It was held in conjunction to celebrate the

World Pharmacists Day and to commemorate the 15<sup>th</sup> Anniversary of the foundation of WPPF. The primary objective of the Summit was to identify significant Pharmacy Practice related issues of the countries in the Region and to develop a strategy and work-plan that addresses the common priority issue. The Summit was attended by 31 participants including Presidents from the major pharmacy association from twelve countries of the Region or their nominees, together with delegates from FIP and WHO. The President of PSS Ms Ng Hong Yen was invited to attend the Summit. A/Prof Chui was involved in organizing the Summit and was one the main facilitators of the event.

Using the 'World Café' concept, the delegates participated in two series of facilitated focus group discussions. Each stage in the first series corresponded to one of the four pharmacist roles described in the joint FIP/WHO Good Pharmacy Practice Guidelines. The delegates were requested to describe issues that arise for pharmacists in their respective countries in relation to each role. The priority issue in relation to the implementation of GPP for pharmacists of the Western Pacific Region as identified by Regional pharmacy leaders is that: "**National Competency Standards should be established to enable the formulation of a professional development framework that leads to enhanced pharmacy practice including patient care.**" In the months that follow, WPPF will continue with executing an action plan to address this main issue identified.

- (4) The Annual General Meeting was held on 27<sup>th</sup> September 2016. The following pharmacists were elected into office as the new Executive Committee:
  - (a) Mr John Jackson (Australia)
  - (b) Dr Sang Hoon Joo (Korea)
  - (c) Prof Jih-Heng Li (China Taiwan)
  - (d) A/Prof Wai Keung Chui (Singapore)
  - (e) Mr Nobuo Yamamoto (Japan)
  - (f) Mrs L Ocampo (Philippines)

Mr Reynaldo Umali (Philippines) remains as the general secretary and the executive secretary is Dr Suzanne Caliph (Australia)

#### **Objective**

• To encourage all registered pharmacists in Singapore to become members of PSS, enabling the society to be an active voice for the pharmacy profession.

#### **Activities**

PSS members continued to enjoy free Continuing Pharmacist Education (CPE) sessions ( $\leq$ 2 hours in duration) conducted by PSS whereas non-PSS members were charged \$40 per session. There was at least one CPE session each month. The topics were carefully crafted and planned for in order to cater to the needs of pharmacists from all sectors. The PSS website was enhanced to facilitate e-learning with the online case studies and practice guides. The PSS Practice Guide for Minor Ailments and the PSS Guideline for Supply and Delivery of Medications to Customers were both launched at the 26<sup>th</sup> Singapore Pharmacy Congress in October 2016, and have been made available for our members at no cost. The annual Singapore Pharmacy Congress where PSS members enjoyed a discounted rate, was well subscribed to and attended by 364 PSS members in 2016.

In the year 2015, PSS administered an online survey on professional indemnity to obtain views on the coverage with providers as well as the reasonable charges to administer. However, after further analysis and evaluation, this initiative did not proceed further as the majority of our members belong to the public healthcare institutions and are already covered by their employers. As such PSS was unable to get sufficient numbers to work with the insurance company on a professional indemnity plan with reasonable premium.

In order to better engage and attract members, the Young Pharmacists Chapter conducted an online membership survey in November 2016 to gather the needs of our members and to seek for inputs on how we can do better for our members. These results will be analysed and used to plan activities moving forward.

Other than professional activities, social and networking activities such as the Annual Sports Day and Annual Appreciation Dinner were also organised to show appreciation to our members and volunteers, creating platform network, mingle, relax, and have fun.

Once again, the committee would like to thank our members who have made contribution to PSS for the past year and we look forward to your continual support.
