PRESIDENT'S REPORT

The 108th Council was elected into office during the last Annual General Meeting held on 22 March 2014 and assumed office on 1st April 2014. The 108th Council consisted of one new member and representation from the various pharmacy sectors.

The aim of our activities continues to focus on our mission of "Maximizing the Contribution of Pharmacists to the Healthcare of Singaporeans". It has been a fruitful year and many firsts for PSS.

Our annual congress, chaired by Mr Wu Tuck Seng and held in conjunction with the International Medication Safety Network Annual Meeting for the first time was successfully held on 18 and 19 October 2014. It was well received and attended by over 1000 participants at both the nine precongress workshops and the main congress. Also for the first time, an online abstract submission portal was introduced.

In 2014, we lost one of our founding fathers, visionary and mentor, Mr Koe Khoon Poh. For his unstinting efforts, enormous contribution and passion for PSS and the profession, he was awarded the PSS Lifetime Achievement Award, an award given out for the first time by PSS. The family members of the late Mr Koe received the award from Minister for Health, Mr Gan Kim Yong at the opening ceremony of the congress.

Pharmacy Week 2014 focused on 4 main messages to the public: How to Write a Medication list, Remember Your Medicine, Say No to Sharing of Medicines and Storage of Medications. These messages were articulated through train panels on the north-south and east-west lines for 2 weeks in October 2014 and another 2 weeks in January 2015. Exhibitions and free medication reviews were carried out at all participating pharmacies. We continued and expanded our public outreach programmes by increasing collaboration with external partners through activities like the Pharmacist Health Ambassador Programme, talks, brown bagging events and medication reviews.

We also worked continuously to engage our members. The online membership renewal and application function was introduced. Members can now use this platform to keep track of their online purchases and continuing professional / pharmacists' education points. We continued to facilitate communication and sharing of information through Facebook and LinkedIn pages via the various chapters. The Hospital Chapter also set up the very first Geriatrics Special Interest Group. The Continuing Education Committee has also worked tirelessly to ensure high quality programmes are delivered to members on a monthly basis. The Young Pharmacists Chapter also organized a number of fun filled events like captain's ball, moon cake making and the year end party.

Detailed reports of the various activities undertaken by the different chapters or committees in PSS, collaborations with our partners and representation in national and international organizations or committees can be found in this Annual Report.

May I extend my heartfelt gratitude to the 108th Council for their leadership and tireless efforts; all our volunteers in the various PSS chapters and committees for their dedication and commitment; pharmacy managers for their continuous support; advisors for their advice and support; all our

partners and stakeholders who have helped us advance our cause; our PSS secretariat for their hard work and all who have helped us in one way or another.

Last but not least, I would like to thank all our members for supporting the Society. Many of you have been with PSS for many years and we sincerely appreciate all your feedback and support. We would also like to welcome our new members into the PSS family. Let us continue to work to advance our profession and more importantly, to improve the health of the general public.

Mission:

- 1. To influence professional practice of community pharmacists.
- To improve health outcomes for our patients by increasing access to preventive care by community pharmacists in minor ailment management, weight management, smoking cessation and chronic disease management.
- 3. To increase the awareness of the public, government-linked agencies and other stakeholders that community pharmacists are important members of the healthcare system.

1. Pharmacist Health Ambassador Programme (PHAP)

We would like to applaud the sustained efforts of our pharmacists in patient counselling and follow ups ever since the launch of the programme in 2010. From August 2013 to August 2014, a total of 1,445 patients received patient counselling and 3,174 follow-ups were performed by community pharmacists. 77% of patients reported an 'improved outcome' or 'remained in an ideal/good condition' during follow-up reviews (see Figure 1).

Figure 1: Patient-reported outcomes resulting from counselling by community pharmacists under PHAP

The most common conditions that are follow-ups were conducted on were smoking cessation and hypertension. (Figure 2). It is encouraging to note that in comparison to the previous data collection period (Sep 12 to Jul 13), the number of smoking cessation follow up sessions conducted by community pharmacists rose from 906 to 1,058 (16.8% increase). We are also extremely pleased to announce the tremendous increase of 85.9% (524 in comparison to 974) observed in the number of follow up sessions conducted for management of hypertension.

Figure 2: Breakdown of types of follow-ups done by community pharmacists under PHAP.

Appreciation of Contributions to PHAP

Top contributors of the Pharmacist Health Ambassador Programme were recognized during the 24th Pharmacy Congress. The awards were presented by Ms Joanna Chan, Director of Corporate & Industry Partnerships of the Health Promotion Board (HPB).

Top Contributors of PHAP with Ms Joanna Chan

3 Pharmacist Health Ambassadors (PHA) were also nominated to showcase their contributions to patient care and inspire other pharmacists.

Ms Lam Cai Hong

Ms Ng Siow Tian

E-learning Modules for PHAP

E-learning modules for PHAP were launched in December 2014. The following modules are available:

- 1. Introduction to PHAP.
- 2. Basic theory on brief intervention, motivational interviewing and health literacy.

After completion of the E-learning modules, pharmacists will be recognized as a PHA. They will also be entitled to 1 CPE point under category 3A.

Moving forward in March 2015, to enable pharmacists to hone their skills in patient counselling, we will be organizing optional practical sessions for motivational interviewing.

Training of Pre-registration Pharmacists

PSS and HPB continued the collaboration and incorporated training programmes to the preregistration training. This is a sustained effort to encourage the young pharmacists to be PHAs early in their career.

Between December 2014 and January 2015, a total of 171 pre-registration pharmacists completed 2 e-modules on "Pharmacist Health Ambassador Programme" and "Smoking Cessation". After completing their pre-registration training, those who wish to pursue a Certification for Quit Smoking Consultant (CQSC) Level 1 may proceed to enrol in practical sessions starting in March 2015.

2. Advancing Access and Practice

Reclassification of Prescription-only medicines

PSS continued to work closely with HSA in the reclassification of medicines. As with previous years, initiatives to enhance reclassification process in 2014 included:

- 1. Produce patient information leaflets for newly-reclassified medicines.
- 2. Recommend suitable candidate drugs for reclassification.
- 3. Review practice and feedback concerning dispensing of reclassified medicines.

Effective from 1 April 2015, Nystatin (as an oral liquid preparation containing not more than 100,000 units per ml) will be granted exemption for limited sale and supply by pharmacists without prescription for the treatment of oral candidiasis.

I Quit 2014 Campaign

The I Quit campaign was launched on 31st May 2014, to coincide with the World Health Organization's World No Tobacco Day.

At I Quit 2014 campaign, our three community pharmacy chains received appreciation awards for their collaboration, support, and contributions as important partners of this national campaign. This event was graced by Guest-of-Honour, Associate Professor Muhammad Faishal Ibrahim, Parliamentary Secretary, Ministry of Health & Ministry of Transport.

3. Promotion of Role and Value of Community Pharmacists

Shining Stars of Community Pharmacists

The chapter continued to feature community pharmacists who were nominated for their passion in their work. Their interviews are featured on both the PSS website and the chapter's Facebook page.

Overview

We have had another fulfilling year and we are thankful to the efforts of all the pharmacists who have contributed their time and energy to drive the activities of the chapter. This year the hospital chapter has representations from 6 restructured, 1 community and 2 private hospitals. The team focused on building initiatives newly started last year as well as other past continuing activities.

PSS Hospital Chapter's objectives

- To raise the profile and skills of hospital pharmacists in Singapore,
- To provide a platform for all hospital pharmacists to network and work together on initiatives of mutual benefit.

Key Activities for FY 2014/2015

(1) Geriatrics Special Interest Group (SIG)

Following the inaugural geriatrics discussion forum organized by the PSS Hospital Chapter last year, the PSS Geriatrics Special Interest Group (SIG) has been formed.

(a) Geriatrics SIG Facebook page

To facilitate discussion and sharing of ideas between members of the Geriatrics SIG, a Geriatrics SIG Facebook page has been launched. Attendees of last year's geriatrics forum who indicated interest in being part of this SIG together with other pharmacists, who work in this area, were invited to join this exclusive Facebook page.

Administrators and members of this Facebook page regularly share articles and views to raise awareness and improve knowledge, with the aim of better pharmaceutical care of geriatric patients.

Pharmacists who are not yet members of this group, but are interested in participating, are welcomed to request to join us in our discussions.

(b) Geriatrics Case Study Challenge

To aid in the understanding and management of geriatric patients, geriatrics case studies are posted periodically on the Geriatrics SIG Facebook page as well as the PSS website. These case studies are written by our fellow pharmacists for pharmacists. 1 CPE point is awarded upon the completion of the case study.

(c) Geriatrics Workshop

PSS Hospital Chapter members are organizing a geriatrics workshop in March 2015. This workshop will involve different healthcare professionals sharing on their role and views in effectively managing the care of a geriatric patient.

(2) Online case studies

Other than the geriatrics case study challenge, the hospital chapter continues to prepare and upload online case studies as a continuing education resource in the PSS website. This is a free of charge service for PSS members; non-members can also access this for a fee. Pharmacists are able to claim points after successfully completing online case studies.

(3) "In the spotlight"

The chapter continued their efforts in emphasizing hospital pharmacists who have contributed greatly to the profession. To better identify these capable pharmacists, we have established criteria for nomination of hospital pharmacists to be featured in PSS "In the spotlight" segment. Different pharmacists nominated and accepted to be featured are showcased on the PSS website. This helps pharmacists to get-to-know their colleagues who are role models in various pharmacy practice areas and can be a spark of brand new relationships.

(4) Pharmacist's Letter (PL)

The chapter extracts pertinent information from the "Pharmacist's Letter" resource, an online medical journal, for dissemination to all members. PL is a free of charge drug information resource available to all PSS members. A PL awareness drive was carried out to increase access and viewership of this online resource specially subscribed for the benefit of PSS members.

INDUSTRY CHAPTER

Ex-officio: Mr. Ivan Chew

Chairperson : Mr. Ng Cheng Tiang

Committee members: Mr. Ben Tan Khoon Bin

Mr. Justin De Silva Mr. Kok Zhi Wei Mr. Martin Guo Ms. Tracy Chean

Mission:

To maximise the contribution of pharmacists to the healthcare of Singaporeans, by promoting best practices that influence the value chain from research, manufacturing, marketing and distribution of medication.

Industry Chapter continued to focus on engagement of members via continuous education and networking sessions. Below were the details of the activities for 2014/ 2015.

1. Networking Session (16 April 2014)

The session aimed to gather feedback on how PSS can engage members and gather needs on the ground. 22 pharmacists, from the various fields including academia, logistics, university students and entrepreneurs attended the event to give their views and opinions.

From discussion, the following were various initiatives which the Industry Chapter can pursue.

- 1. More networking session
- 2. Continue to be the CE provider
- 3. Conduct workshop on entrepreneurship
- 4. Active student engagement

Participants put forward their viewpoints

2. Continuous Education Session: An Overview of European Regulatory Affairs; Understanding the Issues for Effective Global Development

For the first time outside of Europe, The Organisation for Professional Regulatory Affairs (TOPRA) conducted this regulatory affair Master class, in conjunction with the University Of Hertfordshire (UK) and the Pharmaceutical Society of Singapore (PSS) Industry Chapter. Held from 19 to 20 May, this

event was very well received, with a turn-out of 24 participants from the pharmaceutical industry. Our 4 highly qualified speakers included:

- 1. Sue Harris, UK Expert for the Committee on Human Medicinal Products, UK Alternate Delegate to the Herbal Medicinal Products Committee, European Medicines Agency (EMA)
- 2. Lynda J Wight, Executive Director of TOPRA, Fellow of Royal Society of Medicine
- 3. Bob Clay, Regulatory strategist, Highbury Regulatory, Chief Regulatory Officer, Kinapse
- 4. Matthew Taylor, Dean of Pharmacology, University of Herfordshire, UK

This informative session provided insight of the European Union (EU) regulatory procedures, key players and principal systems. Participants were also given tips on how to maximise effectiveness during interactions with EU regulatory agencies and sharing of new developments and current issues in EU regulatory affairs which include clinical trials, pharmacovigilance and paediatrics. Common pitfalls of CMC (Chemistry, Manufacturing and Control) data applications were addressed and the right way to implement a global regulatory strategy was highlighted. TOPRA and the role of this professional association were also introduced in great detail. The course concluded with an interactive exercise on how EU regulators review submissions and a networking session at the Owl Bar.

This 2-day course provided a great avenue for networking of regional regulatory professionals in Singapore. The overall feedback was positive and they value such workshops. They hope to organise more of such courses in the near future.

3. Continuous Education Session: Innovation & Entrepreneurship Talk

A Memorandum of Understanding was signed with Manchester Business School and PSS, offering affordable post graduate studies with the reputable school.

A talk on innovation and entrepreneurship was organized to mark the commencement of this collaboration. On 1 October 2014, 22 pharmacists attended an informative talk by Professor Francis Chittenden (Professor of Small Business Finance, Innovation, Management and Policy) on various considerations when running a business.

Continuous Education:

This subcommittee under the Professional Education Chapter is responsible for organising Continuing Pharmacist Education (CPE) as well as training programmes for re-entry into practice.

Mission:

- To provide comprehensive Continuing Education programmes for pharmacists from all sectors, to ensure they remain current in knowledge and skills
- To continually develop and expand the scope of topics covered in the Continuing Education programmes in keeping with evolving healthcare landscape and training requirements
- To accredit Continuing Education achievements
- To organise relevant courses and accreditation programmes for Pharmacy professionals

At least 1 continuing education sessions was organised every month, covering a range of topics relevant to pharmacists in various sectors of pharmacy practice. These sessions were provided free of charge to PSS members.

The committee commenced the year of 2014/2015 with the Pharmacotherapy series in July 2014. This is for the benefit of pharmacists taking the Board of Pharmaceutical Specialties (BPS) Board Certified Pharmacotherapy Specialist (BCPS) examination. We invited content experts in Psychiatry, Infectious Diseases, Biostatistics, and Cardiology to deliver the sessions between July 2014 and September 2014.

Another highlight was engaging the Manchester Business School to conduct a session on "Entrepreneurship & Innovation Management", a topic that was popular with our pharmacists in the industry sector.

WSQ CERTIFIED PHARMACY TECHNICIAN COURSE

The Certified Pharmacy Technician Course (CPTC) introduced more than 20 years ago has been training generations of Pharmacy Technicians needed to fill the evolving and increasingly sophisticated pharmacy services landscape. As the key role of pharmacists in health system transform from the supply or product-centric to be more service and patient-centric, so must the roles of the pharmacy support infra-structure, particularly the roles of Pharmacy Technicians who form bedrock of the Pharmacy Department's service integrity and sufficiency.

Since 2007, PSS has moved the CPTC into the WDA accredited scheme to align the training standards with the national standard under Workforce Skills Qualifications (WSQ). The 17th intake of CPTC was run fully under the WSQ framework, complete with funding from the WDA. In 2014, CPTC enrolled a total of 25 new candidates under the 24th and 25th intakes.

By the 5th December 2014, these 25 candidates have successfully completed their CPTC and a graduation ceremony was held to celebrate their achievements in the presence of their family, friends, managers and classmates. The ceremony was graced by the PSS Vice President - Ng Hong Yen, It was a highly memorable occasion for many and satisfying sight to treasure!

Speech given by PSS Vice President - Ng Hong Yen

Group photo of the CPTC graduates with the invited guests
All smiles with the CPTC certificate; the fruit of hard work and sacrifice for the past year!

In order to maintain and continually improve the CPTC programmes, PSS has been working towards preparing and equipping the next generations of Pharmacy Technicians by adding new capabilities which would be needed by Pharmacy in the new healthcare system. Going forward, in order to ensure that Pharmacy Technician can upgrade their capabilities, more targeted CE programmes will be drafted and rolled out in consultation with the various stakeholders, particularly the Pharmacy Managers, MOH and the WDA. We are very indebted to the valuable inputs from the Pharmacy Managers, the various stakeholders in MOH and WDA; also we would like to acknowledge and commend the hard works of our Trainers, Developers and Assessors who spent their precious time after their demanding full time job guiding and coaching the candidates in the CPTC. Lastly, special thanks to the PSS staff, Janet Low in particular, for ensuring the smooth execution of the CPTC programme.

The annual pre-registration pharmacists' training programme is organised by PSS to ensure that preregistration pharmacists are equipped with the necessary skills and knowledge to practice as pharmacists.

The committee comprises of a group of dedicated pre-registration training coordinators representing all the training institutions in Singapore.

The training curriculum is designed to complement the individual institution's training programme, to ensure that every pre-registration pharmacist is adequately trained to meet the Competency Standards of the Singapore Pharmacy Council (SPC) and to aid in the preparation for the SPC competency examination.

Objectives

To provide pre-registration pharmacists with training to ensure they are able to practice safely and effectively through the following:

- Facilitate the application of the academic knowledge they have learned to real-life practice;

- Emphasise the importance of adhering to the rules, regulations and principles governing safe medicine use, and code of ethics of a pharmacist;
- Co-ordinate the contributions of all training institutions to ensure the delivery of a well-rounded and comprehensive training;
- Promote the development of professional relationships and networking within and between individual pre-registration pharmacists, pharmacists, and other healthcare professionals;
- Articulate the myriad possibilities within the pharmacy profession that pre-registration pharmacists can pursue in terms of career and professional development.

This year, we have a total of 172 pre-registration pharmacists from both the hospital and community sectors. Of these, some are graduates from overseas universities seeking a Pharmacy career in Singapore.

Key Activities/Information given in FY2014/2015

- The opening ceremony was jointly organised by Singapore Pharmacy Council (SPC) and PSS.
 - Ms Ng Hong Yen (Vice-President, PSS) gave the opening speech to the new batch of pre-registration pharmacists and gave them a better understanding of the expectations of the training programme.
 - Ms Emily Liew (Chairperson, Pre-registration Pharmacists Training Committee) briefed them on the training programme and advised on the rules and regulations of the training sessions.
 - Ms Felicia Ling (Executive Secretary, SPC) went through an overview of the preregistration training programme and Dr Chan Hong Ngee (SPC Board of Examiners) briefed them on the SPC competency standards and examination.
- Training sessions were scheduled approximately every 2 weeks. Invited speakers are healthcare professionals practising in both patient-care and non-patient care areas (e.g. regulatory, research and sales).
- The pre-congress workshop at the 24th Singapore Pharmacy Congress provided the preregistration pharmacists with an overview of medication safety concepts and principles, and the role of pharmacists in improving medication safety in various healthcare settings.

PHARMACY WEEK 2014

Pharmacy Week is an annual one-week event undertaken by PSS to educate the public about medications and how pharmacists can assist them.

This year, Pharmacy Week spanned 18 to 26 October 2014 and the theme was 'Medication Safety'. This theme was chosen to link with the 24th Singapore Pharmacy Congress (SPC) on 'Advancing Medication Safety Towards Quality Care'. Thus it was apt that Pharmacy Week 2014 was launched at the 24th SPC.

With Medication Safety, some common unsafe practices were address include sharing of medicines, self-titration of medicines, non-adherence, unsure of differences between generic and branded medications, not knowing what the medication is for, as well as use of unreliable information source regarding medications.

Following the launch of Pharmacy Week, various activities (booths, funfairs, talks, medication reviews, quizzes etc.) were planned at restructured and private hospitals as well as community pharmacies (polyclinics and retail pharmacies) throughout Singapore to help promote messages of Medication Safety.

The committee produced the following to advertise and create awareness for Pharmacy Week 2014:

- 1. Exhibition posters
 - a. "No Sharing of Medicines" Poster
 - b. "Storage of Medicines" Poster
 - c. "Adherence and Compliance" Poster
 - d. "Minor Ailments" Poster
- 2. Three different messages on SMRT train panels in 2 runs 300 panels across 50 Main Line trains from:
 - a. 18 to 26 October 2014
 - b. 29 January to 11 February 2015

- 3. "Write Your Own Medicine List" Leaflets
- 4. Pharmacy Week Magnets

YOUNG PHARMACISTS CHAPTER

Ex-Officio: Mr Anson Lim

Members : Mr Chan Boon Kiang

Mr Geoffrey Chai Ms Cindy Chew Mr Ong Kheng Yong Mr Roman Lester Rosales

Ms Soh Whit-Ni Mr Tan Wee Pin Ms Tien Li Chen Ms Tran Anh Nhi Ms Agnes Wong Li Yu

Mission

- 1) To engage young pharmacists to foster a greater sense of belonging to the profession
- 2) To foster stronger cooperative ties between NUSPS and PSS, by engaging pharmacy students in PSS-organized events or vice versa.
- 3) To provide avenues for greater social interaction
- 4) To form and develop an able Young Pharmacists group that can represent Singapore/PSS at a regional and international level.

Overview

The PSS Young Pharmacists Chapter (YPC) was formed to provide an official platform for young pharmacists to convene and actively organise and participate in various activities to bring about positive changes to the pharmacy profession in Singapore. Under the guidance of Ex-Officio Mr Anson Lim, and several members from the 2013 committee, a new committee was formed in 2014, with the aim to harness and translate the zest, drive and interests of young pharmacists into an influential voice that will improve the professional profile of pharmacists in the local and international arena.

1) Creation of new Facebook Page for the YPC

The Facebook page for the YPC was launched on 13th July 2014. The page was set up to tap on this social media platform to engage and communicate with young pharmacists, as well as promote awareness of YPC and PSS and their related activities.

As of November 2014, the page had garnered 233 likes, with some posts reaching as many as 2400 people.

The page may be accessed by the url https://www.facebook.com/pages/PSS-Young-Pharmacist-Chapter/566363253482803 or by searching for "PSS Young Pharmacist Chapter" on Facebook.

2) Regular collaborations with NUSPS

The YPC met with the 52nd NUSPS Exco officially for the first time on Friday, 4th April 2014. One of the objectives of the YPC is to foster stronger cooperative ties between the PSS and NUSPS, with the aim to engage pharmacy students in more PSS-organised events and vice versa, and the meeting was arranged by the YPC with this in mind. Throughout the year, YPC continued to meet up with NUSPS on a regular basis. During these meetings, various initiatives and upcoming plans for collaboration between NUSPS and YPC were discussed. These included PSS Events, such as the annual Pharmacy Week, which was held in October. Other joint activities conducted so far include short work attachments for students to various sectors of pharmacy practice in Singapore, which would allow them to gain additional experience of pharmacy practice in various sectors to complement their preceptorship experiences; and collaborations in Brown Bag and Medication Review events.

In all, YPC and NUSPS has fostered closer relations and tapped on each other's strengths, and YPC hopes to continue to serve as a point of contact between NUSPS and PSS and its various chapters, thereby facilitating the conduct of various NUSPS activities where they require the help of pharmacists from the various practice settings. Tapping on the zest and drive of NUSPS and the students they represent would, in turn, further PSS's aim of raising the profile of the profession. In addition, it is hoped that greater interaction between practising pharmacists and the students would ease the students' future transition into the profession.

3) Inaugural Sports Day event (Aug 2014)

YPC kicked off its first event by the newly formed committee, with a Sports Day Event on 2nd August 2014. Featuring the game of Captain's Ball, the event drew over 50 participants in eight teams from various backgrounds: NUS Pharmacy students from Year 2 to Year 4, pharmacists from the recently graduated Classes of 2011 to 2013, as well as representatives from PSS's 108th Council. Teams enjoyed a good workout as they battled it out in the group stages, with each team engaging in matches with three other groups before the overall winners were decided in a Final match.

4) Mooncake-making event for Mid-Autumn Festival (Sep 2014)

The second event of the year was a mooncake making session. Held at the PSS conference room, the event drew about 30 participants, including pre-registration pharmacists and NUS pharmacy students.

Completed mooncakes made by the event participants

5) Officially joining the Asian Young Pharmacist Group (AYPG) at the Federation of Asian Pharmaceutical Associations (FAPA) Congress 2014

Represented by Mr Anson Lim and Mr Ong Kheng Yong, the YPC met up with the Asian Young Pharmacist Group (AYPG) of the Federation of Asian Pharmaceutical Associations (FAPA) at the 25th FAPA Congress in Kota Kinabalu, Malaysia, from 8th – 12th October, 2014.

At the AYPG's 2nd Council & Business Meeting held during the Congress, Singapore's YPC-PSS officially joined as the latest member of the AYPG. With Singapore now on board alongside Taiwan, Indonesia, Malaysia, the Philippines, South Korea and Japan, the number of member organisations in the AYPG grew to seven.

The new AYPG Bureau for 2014-2016 comprises Mr Alston Tsai (Taiwan), who officially took over as Chairperson, Mr Jack Shen Lim (Malaysia), the Immediate Past Chairperson, Mr Bryan Posadas (Philippines) the Chairperson-Elect, as well as Vice Presidents Mr Anson Lim (Singapore), Ms Audrey Clarissa (Indonesia) and Ms Yoko Nanaumi (Japan). The proceedings of the meeting were also observed by delegates from Cambodia and Hong Kong, which may be potential future members of the AYPG.

The YPC is proud to have become an official member of the AYPG, and hopes that this will allow us to introduce even more new initiatives to engage our fellow young pharmacists. For instance, in the pipeline would be travel exchanges with our regional counterparts, where pharmacists from each country would visit one another to experience the pharmacy profession in other countries in the region.

Some of the AYPG delegates, with Mr Joseph Wang (middle), the newly elected President of FAPA

Conclusion

The year 2014 has been a fruitful one for YPC, as we built on initiatives from 2013, and expanded our reach to NUSPS locally and to AYPG regionally. We hope to continue to engage more young pharmacists, and we look to your continued support towards YPC and PSS in contributing to the profession and to the healthcare of Singaporeans.

The Pharmaceutical Society of Singapore (PSS) was privileged to hold its annual congress in conjunction with the 9th Annual Meeting of the International Medication Safety Network (IMSN) on 18th and 19th October 2014 at the Shangri-La Hotel, Singapore. This was a milestone event as it was the first time that PSS co-organised its congress with IMSN. The theme for the Congress was "Advancing Medication Safety Towards Quality Care". The 24th SPC also marked the opening of the Pharmacy Week that was held from 18th through 24th October.

Mr Gan Kim Yong, Minister for Health, graced the occasion as the Guest-of-Honour. In his speech, he mentioned that this year's theme is timely and relevant as it is aligned with the Ministry of Health's vision of achieving quality healthcare that is accessible and affordable for Singaporeans. He highlighted that medication use is a continuum from drug development, to prescribing, dispensing and administration. Hence it requires various healthcare professionals to collaborate and facilitate each segment and he urged pharmacists, being medication experts, to take the lead in this effort to ensure the safety and appropriate use of medications for our patients.

The opening ceremony featured the Urban Drum Crew, one of Singapore's premier arts percussion group, delighting the congress participants with their signature performance featuring the water LED drums. It also saw the handing out of the PSS Student Overseas Enrichment Award, the PSS-LF Asia Community Pharmacist of the Year Award and 10 Pharmacy Health Ambassador Program awards to pharmacists to acknowledge their outstanding contributions to the profession.

A Lifetime Achievement Award, a first for the PSS, was presented to the late Mr Koe Khoon Poh posthumously, who was a Fellow and Past President of PSS to recognize his unstinting effort and relentless drive in uplifting the image and standing of the pharmacy profession, his commitment, passion and dedication to the pharmacy calling and for his contributions to society. The award was received on his behalf by his son Dr Stuart Koe and witness by the family and all the congress attendees. He will be dearly missed.

The number of attendees was also a record for PSS - 1300 including invited guests on day 1 and 700 on day 2. There was also a large turnout of foreign delegates. The scientific programme was comprehensive and catered for the learning needs of the varied segments of the attendees.

A record number of pre-congress workshops were conducted this year (6 offsite and 3 onsite), commencing from 13th October onwards. It aimed to meet the various needs of healthcare professionals, comprising of (a) Haematology-Oncology Workshop, (b) Antimicrobial Stewardship Programme, (c) Gerontophobia - What's there to fear about managing an elderly patient?, (d) Aseptic Dispensing Workshop, (e) Selected oral research presentations as well as a few pre-congress workshops that tie in with our congress theme on medication safety featuring root cause analysis, enhancing medication safety through effective communication in a multi-professional care team and dedicated sessions for pre-registration pharmacists and pharmacy technicians. There were many significant issues about medication safety and practice that were raised for call to action. One of the follow-ups was the formation of a medication safety network and professional indemnity insurance for pharmacists in Singapore.

We were indeed honored to have the keynote lecture "ISMP Targeted Medication Safety Best Practices in the United States" delivered by Dr Michael Cohen, President of The Institute for Safe Medication Practices and Vice Chair of the Patient Safety Advisory Group for the Joint Commission. The other plenary sessions were delivered by Prof David Cousins (Senior Head for Safe Medication Practice and Medical Devices, NHS London, England, Mr. David U (President and CEO of the Institute for Safe Medication Practices, Canada) and Mrs. Rebecca Chew (Advocate and Solicitor, Rajah & Tann LLP, Singapore).

At the congress, the PSS showcased the medication safety initiatives in Singapore via their "MedSense" exhibit. MedSense was divided into three domains namely, medication use process (MUPS), information technology (IT) and safety culture and education (SE) to illustrate that medication safety is a continuum and impacts people, process, systems in key areas of patient care. Also, congress participants were asked to vote for their favourite logo to commemorate PSS's 110th Anniversary next year.

The social night held at the "TAB" on the evening of day 1 of the congress was well attended and all had fun. Financially, the congress returned a positive balance of about \$34,000 despite the initial worries of insufficient sponsorships and attendees. Special thanks to the sponsorship team led by Ms Sharene Goh.

We would like to take this opportunity to acknowledge and thank each and every committee member for their dedication and commitment in organizing this very successful Congress. Furthermore, we would also like to thank all our distinguished speakers, judges, corporate sponsors, PSS Council, advisors and both the congress and PSS secretariat, without which, none of this would have been possible.

PSS PHARMACIST VOLUNTEER SERVICE FOR DOVER PARK HOSPICE (DPH) AND HOSPICE CARE ASSOCIATION (HCA)

Ms. Irene Quay Siew Ching

Ms. Ellen Sem Dr. Viviane Shih

Ms. Miko Thum Chui Mei Ms. Wong Huan Yan

Briefly, the PSS pharmacist volunteer service for DPH started in 1998 with the aim of helping to ensure safe medication use through proper storage and handling of medicines. In 2000, the service was extended to HCA. Volunteers review donated medicines and see if they can recycle them safely to reduce cost. They pre-pack medicines for inpatient use at DPH and pack ready to use packs of medicines for home visits by the HCA doctors and nurses. The volunteers take turns to provide this service every Saturday for about 2 – 3 hours each time.

Pharmacist volunteers with doctors, nurses and administration staff of DPH, 18. 01.14

For 2014, the PSS pharmacist volunteers continued with the recycling of medicines work.

The volunteer pharmacists had one meeting with DPH management on 18/1/14 at the DPH Council room and updated the staff and volunteers contact information, reviewed the DPH drug list (8 drugs were deleted and 10 new drugs added) as well as par levels. Volunteers continue to key in the

availability of non standard drug stocks in the DPH computer for tracking purposes and to ensure no stock outs. It was suggested that drug updates from HSA should be made available to DPH doctors and nurses. This will help them to note precautions and drug warnings and promote patient safety. The pharmacist volunteers will circulate the relevant information especially "Dear Doctor" letters from HSA to DPH and HCA. Token of appreciation was given by Dr Wu Huei Yaw, Medical Director of DPH to all the volunteers.

PSS pharmacist volunteers conducted a total of 52 medication reviews and repackaging sessions at DPH and HCA in 2014.

Ms. Ellen Sem stopped volunteering after June 2014 due to personal commitments. We are grateful to Ellen for the 2 years of faithful service with us. We value all the help given by the volunteers and their unstinting spirit of giving of their time and knowledge to help with medication management at DPH and HCA. The PSS volunteer pharmacists continue to work with enthusiasm and dedication earning praises from DPH and HCA doctors and nurses.

Medication Safety in Nursing Homes

AIC and PSS jointly launched a pilot programme for pharmaceutical care in the Voluntary Welfare Organization (VWO) nursing homes with the signing of Memorandum of Understanding (MOU) on 16 Jul 2011, followed by renewal of the MOU for 2 years in Jun 2014, signed by PSS President Ms Miko Thum and Dr Jason Cheah, Chief Executive Officer of AIC.

AIC is the agency set up to promote and enhance the integration of Intermediate and Long-Term Care sector, to realize the vision of a more integrated healthcare system in Singapore.

AIC and PSS collaborated and implemented a "Pharmaceutical Care Programme", which aims to enhance the capability of nursing homes (NH) in managing their residents' medication needs more effectively. The scope of the Programme includes:

- a) Medication review and reconciliation for residents in the nursing home;
- b) Improve medication use and safety, minimizing any potential errors or near-miss in the nursing homes, by drawing up policies and procedures with the NHs.
- c) Training and support of nursing care staff, to ensure that the staff has a better understanding of the medications being served to residents and safe medication practices in the NH.

The pilot results in 2012 and PSS recommendations were presented to AIC and MOH senior management in 2013. Immediate Past President Ms Christine Teng represented PSS in the development of Enhanced Nursing Home Standards, which was launched in Jan 2014. These standards would become effective in 2015, giving NH time to adapt to the new requirement. To support the nursing homes better, the PSS Nursing Home Pharmacist Group was officially formed in Mar 2014.

The pharmacists involved in providing medication management services to the nursing homes assist the nursing homes meet these enhanced standards in a timely manner. The Pharmacists also ensure that the various improvements, procedures or guidance are in line with the Enhanced Nursing Home Standards (ENHS). In addition, a set of standard operating procedures, new audit checklist and an initiation kit have been developed to assist pharmacists in the setting up and implementation of policies and procedures necessary to meet the ENHS.

In June 2014, an introduction of the Pharmaceutical Care Programme to nursing home administration and directors of nursing was carried out.

There are currently 66 nursing homes in Singapore. As of this year, 45 homes have pharmacist coverage, up from 24 previously.

PSS NH Workgroup has conducted one run of medication management training, consisting of 10 topics in September 2014, for the nurses. These were conducted over 5 half-day sessions. Sessions were limited to 25 nurses per session. As the response was overwhelming, this will continue into year 2015 with more runs to come, along with additional topics in 2015.

A workshop on the design of resident medication records (RMR) and reporting medication errors was also conducted for 20 senior staff nurses and directors of nursing in Nov 2014.

The trainings and workshops have been very well received by the nursing homes. The workgroup has since been asked by AIC to conduct more of these trainings in 2015.

RMR and Medication error reporting workshop on 11 Nov 2014, attended by staff from 11 Nursing Homes

Learning Trip to St Luke's Hospital

The PSS NH Workgroup Pharmacists has also been conducting quarterly meetings and sharing sessions as a platform for pharmacists involved in providing medication management services to nursing homes to share their experiences and gain knowledge from fellow pharmacists. In addition, learning trips for these pharmacists were also organised to various institutions such as United Medical Centre, St Luke's Hospital and All Saints Home.

NATIONAL UNIVERSITY OF SINGAPORE PHARMACEUTICAL SOCIETY (NUSPS)

NUSPS is the student body representing the pharmacy undergraduates in NUS. PSS has been collaborating with NUSPS in their Brown Bagging activity since 2010. Brown Bagging is a student-led medication review event organised by the Essential Medicines (EMed) Committee, a voluntary wing of NUSPS committed to planning and taking part in health-related volunteer work to guide elderly patients on the safe and proper use of medications. Brown Bagging also strives to reach out to the community to educate the public about the role of pharmacists as the trustworthy medication experts and caring partners in their health. Through working with the pharmacists, students gain opportunities not only to apply their drug knowledge and practise their patient counselling and communications skills, but also foster closer relations with the pharmacists.

Collaborations between NUSPS, PSS and North West Community Development Council (CDC) – Know Your Medicines, Get It Right! @ NorthWest

Since 2011, the Brown Bagging event has evolved into a formal collaboration between NUSPS and PSS in partnership with North West CDC. Know Your Medicines, Get it Right! @ Northwest aims to harness the energy of NUS Pharmacy undergraduates and expertise of registered pharmacists in making a positive contribution to the community. Brown Bagging events have been roving to different areas in the North West District and have benefited more than 800 elderly.

In 2014, Know Your Medicines, Get It Right! @ North West was held twice – 22 February 2014 at Block 633, Senja Road, and 23 August 2014 at Block 2 Marsiling Drive. The cumulative outreach amounted to a total of more than 200 elderly residents. Among the beneficiaries, more than 20 medical interventions were made and more than 20 residents who had health parameters (such as blood pressure and blood glucose) within the unhealthy ranges were elucidated.

The event held at Senja was graced by Mr Liang Eng Hwa, Member of Parliament for Holland-Bukit Timah GRC as Guest-of-Honour. The event held at Marsiling also involved the Pharmacy Profession Awareness Committee (PPAC) of NUSPS, who organized a family carnival alongside the medication review. The family carnival aimed to promote healthy living as a family, particularly targeting children with appealing games, food and goodies. More than 100 participants attended the carnival, including children and their family members.

Collaboration between NUSPS, PSS and Singapore Association for the Deaf (SADeaf) – Launch of SADeaf Medication Review

SADeaf Medication Review 2014 was held on 18 May 2014 at Singapore Association for the Deaf at Mountbatten. This new event was initiated to provide student volunteers with a first-hand experience of the difficulties in communicating with the deaf. The event was also useful in raising awareness about the pharmacy profession. A total of more than 30 deaf elderly participated in the event.

Collaboration between NUSPS, PSS and Ang Mo Kio Youth Executive Committee (AMK YEC) – Brown Bagging @ Ang Mo Kio

After a three-year hiatus, the door-to-door brown bagging tradition of Singapore's pharmacy profession was rekindled by a pharmacist working with AMK YEC. *Brown Bagging @ Ang Mo Kio* was held on 8 June 2014 at Blk 206 Ang Mo Kio Ave 1. Many students found this to be an eye-opener and some of the seniors were grateful to have received the service.

Message of Appreciation

NUSPS and PSS seek this opportunity to thank all volunteers whose selfless contributions over the past Brown Bagging events have benefitted the community. NUSPS and PSS will continue to collaborate on such community outreach initiatives and we would like to encourage pharmacists to come forward as volunteers in subsequent Brown Bagging events.

RAPPORT WITH OTHER INTERNATIONAL REGIONAL ORGANISATIONS WESTERN PACIFIC PHARMACEUTICAL FORUM (WPPF)

In 2001, FIP and WHO conceived the Western Pacific Pharmaceutical Forum (WPPF) with the objective of bringing national pharmaceutical associations in the Western Pacific region closer together. The main objective is to increase interaction, dialogue, understanding and activities that will enable the pharmacy profession gain greater impact on improving pharmacy services and health.

The current Executive Committee of the WPPF comprises the following members:

President: Mr John Jackson (Australia)
Vice President: Dr Tony YH Tarn (China Taiwan)
General Secretary: Mr Reynaldo Umali (Philippines)
Executive Members: Mrs Kyung-Shin Bae (Korea)
A/Prof Wai Keung Chui (Singapore)

Mrs Leonie Ocampo (Philippines)
Mr Nobu Yamamoto (Japan)

The works of the WPPF, in collaborations with the regional associations, are multi facets. There are projects that aim to improve the health of the people in the region by developing and enhancing of pharmacy practices in the Western Pacific region. WPPF also encourages the implementation of new pharmacy services and pharmacy practice initiatives in respective country through activities coorganized with the national pharmaceutical associations. Should there be needs from the country, WPPF also helps to provide support by integrating appropriate WHO policies into undergraduate, postgraduate and continuing education programmes. WPPF also assist in the formulation of policy statements on health issues, identified at meetings of the Forum.

In the year 2014, the WPPF Executive Committee organized two executive meetings and an annual meeting at the following venues and dates:

- (1) Manila, Philippines (7-8 Mar 2014)
- (2) Bangkok, Thailand (29 Aug 2014)
- (3) Bangkok, Thailand (Annual Meeting, 2 Sep 2014)

Some of the main activities of WPPF that took place in 2014 include:

- (1) A workshop that was organized in response to a request to WPPF from representatives of the Cambodian Ministry of Health and was conducted in association with the Ministry, the Pharmacy Council and the Pharmacist Association of Cambodia in Phnom Penh from the 26th to 28th May 2014. The objective of the workshop was to provide education and training on Good Pharmacy Practice (GPP) thereby improving the quality, safety and efficacy of medicines delivered to patients in Cambodia. A Good Pharmacy Practice Guide was prepared by the Cambodian Ministry of Health in 2013, based on the FIP GPP Guidelines.
- (2) Two nominees from the WP region were awarded the FIP Travel Scholarship to attend the FIP congress in Bangkok. They were Miss Vanny YOU (from Cambodia) and Mr Ram ARNOLD ABHISHEK (from Fiji Islands).

MEMBERSHIP COMMITTEE

Ex-Officio : Ms Miko Thum

In the year 2014, there was an increase in membership from 1,100 in 2013 to 1,277 in 2014.

Summary of membership by the various categories is summarised as follows:

- Honorary Members No candidate was nominated throughout 2014.
- Fellow Members No candidate was nominated throughout 2014.
- Life Members This membership category recognises members that have made constant contribution to the society throughout many years. In 2014, 3 new Life members (2.5% increment) were designated.
- Ordinary Members There was a 23.5% increase in Ordinary membership, in the year 2014.
- Overseas Members The number of overseas members increased by one in 2014.
- Associate Members In 2014, there was a 1.0% increase in Associate membership.
- Student Members The number of Student members decreased in 2014.

Objective

• To encourage all registered pharmacists in Singapore to become members of PSS, enabling the society to be an active voice for the pharmacy profession.

Activities

The online renewal system was introduced in late 2014 and it enables pharmacists to apply or renew their membership online and renewal dues paid via credit cards. Other online functions for members included request for changes in status of membership and changes in particulars. Each member can also keep track of their online PSS CPEs points and print certificates at their convenience. Members can also review their purchase history online. Members who are currently using GIRO or Diners to pay for their membership fees, can still continue to use this mode of payment. In order to cater to all our members, cash or cheque payment of membership dues will continue to be available.

PSS members have continued to enjoy free monthly Continuing Pharmacist Education sessions conducted by PSS whereas non-PSS members would be charged \$40 per session. Events other than professional activities such as captain's ball, moon cake making and year end party were also organized by the Young Pharmacists Chapter for members to network, relax and have fun. We will continue to work with the various PSS chapters to increase the types of CEs and recreational activities offered.

PSS also collaborated with Manchester Business School to provide members with more continuing education programme opportunities as well as discount for course fees in the MBA programme. PSS members will continue to receive discounted rates at our annual Singapore Pharmacy Congress as well as free access to the valuable resource - Pharmacist Letter. PSS has made some progress in discussion with professional indemnity providers to extend coverage for pharmacists.

Once again, the committee would like to thank our members who have made contribution to PSS for the past year and we look forward to your continual support.
