

BMS
Enterprise

Towards Excellence in
Research, Innovation and Enterprise.

Event: BMS Enterprise 2007 Congress

Date: 2nd & 3rd July 2007

Venue: Singapore

Join us at BMS Enterprise 2007 Congress a must-attend event that will bring together senior level decision makers from healthcare & clinical research, pharmaceutical manufacturing and biologics, medical technology and biotechnology. Learn how to attract and retain key management and scientific talent and to align their corporate strategy that will boost R&D productivity to a high. Hear from leading organizations such as The West Clinic Excellence Cancer Centre, The National Science & Technology Development Agency, Thailand, Ministry of Economy Affairs Taiwan and many more! For more information, please contact Colleen Yong at +65 6324 9751, email at cyong@availcorp.com or visit us at www.availcorp.com
