

Singapore General Hospital (SGH) is Singapore's public sector flagship hospital. Established in 1821, SGH is the nation's first and largest acute tertiary hospital and national referral centre, providing multi-disciplinary medical care. Our medical, nursing and paramedical teams work in collaboration to provide team-based quality patient care to all our patients.

## **Pharmacist**

### **The Job**

You will provide a comprehensive range of Pharmacy services to In-patients and Outpatients, with opportunities to run specialized counselling clinics, support clinical trials and conduct research. General duties include drug counselling and provide drug information to healthcare professionals. You will also supervise a team of staff to ensure proper dispensing of medicines according to protocol and legal requirements.

### **Requirements**

- Degree in Pharmacy and be registered with the Singapore Pharmacy Board.

### **Remuneration Package**

- Attractive annual package with variable bonuses or gratuities.
- Subsidised medical/hospitalization benefits.
- Personal Accident and Group Term Life Insurance.
- 21 working days annual vacation leave.
- Relocation benefits.
- Housing subsidy.

### **How to apply**

Interested candidates are invited to submit on-line a detailed resume, stating full personal particulars, educational qualifications, career history, present and expected salaries to [www.sgh.com.sg/careers](http://www.sgh.com.sg/careers) or write to:
