

Changi General Hospital is committed to upholding the highest standards in patient care and services and we are constantly exploring innovative ways to better serve the community in the East. We are looking for people who share our passion to make a difference to the lives of our patients.

If you are a team player with the talent and conviction to give that quality touch, we welcome you to join us.

PHARMACIST

You will provide a comprehensive range of patient-oriented pharmacy services to inpatients and outpatients. Your duties include medication counselling, dispensing, as well as teaching and providing drug information. You will also be required to supervise a team of staff to ensure proper dispensing of medicine according to protocol and legal requirements.

Requirement:

- Degree in Pharmacy and be registered with the Singapore Pharmacy Board

Interested applicants are invited to apply online at www.cgh.com.sg

We regret that only shortlisted candidates will be notified.
