P-MEDICINE PROGRAMME ANNOUNCEMENT

Dear Fellow pharmacists,

Thanks for being a part of the P-Medicines programme! I trust that the road of continuous improvement of knowledge has been fruitful and you have derived good values for your practice!

(I) Your favourite (package deal) is back!!

Due to popular demand, we are offering the package deal to you again. You need to pay only **\$120 for 6 modules** (*usual price \$240*). Sign up now to enjoy this special price!

(II) Reminder on CPE Points

Scenario	CE Points	Point Updates by
Attendance of lecture and completion of MCQs	2 CPE points (under category 1B: Local Event)	PSS
Self study of materials and completion of MCQs	1 CPE point (under category 3A: self-study)	Self

(IV) Reminder to register for each P-Medicines Module

If you have signed up for the package, you would still need to register for each session that you would like to attend. This will facilitate PSS in logistics arrangements like printing of materials and catering purposes.

Do feel free to contact Edira / Grace at 6221 1136 or admin@pss.org.sg if you have any other queries.

Thanks for your kind attention! Let's work together toward even higher professional standard!
