

We are a brand new concept pharmacy, specialising in skin care treatment. Located in the East in a highly accessible brand new shopping mall, we are looking to fill the position of:

SKIN CARE Pharmacist

(i.e. a retail pharmacist specialising in skincare and personal care)

The responsibilities:

- ✓ Managing a brand new retail pharmacy
- ✓ Compounding and dispensing of skincare products in a pharmacy
- ✓ Diagnosis and counselling of patients on skincare and skin diseases

The rewards:

- ✓ Satisfaction of working in a brand new concept pharmacy.
We guarantee you it is a concept you have not seen before and never a dull moment.
- ✓ Attractive remuneration with profit sharing possibilities

You are not the person for the job:

- ✗ If you think this is another Guardian/Unity/<fill in the blank> pharmacy clone
- ✗ If you think pharmacy is only about drugs
- ✗ If you think this is another sit-behind-the-counter retail job

You are what we are looking for if you:

- ☑ Love to meet and talk to people
- ☑ Love skincare products
- ☑ Often wonder if the skincare products you see on the shelf really work
- ☑ Daring to take up new challenges & try new ideas
- ☑ Preferably (but not mandatory), have some compounding experience or learned basic compounding in school and have some retail experience
- ☑ Willing to work on weekends
