

IDS Group, a Hong Kong public-listed organization, is one of the leading integrated distribution services providers in the four core businesses: Distribution, Logistics, Manufacturing and international. We have established a strong presence in nine economies throughout Asia, US and UK. We are closely associated with global healthcare products and FMCG brand names. IDS Group provides our business partners a comprehensive menu of integrated distribution services in the three core businesses and act as a value added outsourcing solution partner to their business. Our role is to help multinational brand owners get their products into the hands of consumers in Asia and other parts of the world.

In line with our aggressive expansion plans and the numerous business development plans in the pipeline, we have the following vacancy and would like to invite qualified candidates to apply.
