

Pioneer the future of Integrated Healthcare with us.

JurongHealth, your public healthcare cluster for the West, is planning and building a hassle-free, integrated healthcare hub with the 700-bed Ng Teng Fong General Hospital and 286-bed Jurong Community Hospital. Operating side by side with the revolutionary “a window for every patient” ward design, 18 operating theatres, 28 Intensive Care Units and 42 High Dependency Units, our 3,000-strong workforce will be bringing seamless patient-centred care right into the heart of the community in the western part of Singapore by 2014 when we open.

While we are designing and building the hospitals, we're also building our team. Shape the culture and advance your aspiration with us in this unprecedented opportunity to be part of the pioneer team.

Be part of our exciting future. Transform the future of healthcare with us!

Senior / Pharmacist

The Challenges

You will be responsible for providing a wide range of pharmaceutical and patient-oriented services including medication counseling and dispensing to ensure the best possible outcome for our patients as well as attending to enquiries from healthcare professionals and members of the public. You will have the opportunity to run ambulatory clinics, as well as to spearhead quality improvement projects.

The Requirements

- Bachelor degree in Pharmacy
- Registered with the Singapore Pharmacy Board
- Possess initiative, drive and ability to work in a fast-paced environment
- Team player with good organizational, analytical and excellent communication skills
