

ST LUKE'S HOSPITAL

St Luke's Hospital is a 185-bedded community hospital of excellence committed to providing compassionate and quality care, especially to the elderly sick in Singapore with a multi-disciplinary approach including medical, nursing and rehabilitative care.

We strongly encourage and support our staff in continuous education and development. Competitive remuneration and career opportunities await suitable candidates.

We are inviting suitably qualified candidates to apply for the position of:

PHARMACIST (PART-TIME/LOCUM)

Responsibilities:

- Be part of the Pharmacy team to execute pharmaceutical and drug dispensing functions for inpatient and outpatient load.
- To assist in a current Medication Reconciliation Project

Requirements:

- Bachelor of Science (Pharmacy) or equivalent
- Must be registered with the Pharmacy Board of Singapore
- Preferably with experience in a hospital pharmacy
- Must be able to work independently

Please send your detailed resume indicating current and expected salary together by **10 August 2011** to:
