PRESIDENT'S REPORT

The 106th PSS Council assumed office on 1st April 2012 having been elected during the last AGM on 17th March 2012. The Council is represented by a good mix of members from various Pharmacy sectors, i.e. hospital, community, industry, academia and regulatory body.

It has been a very exciting 12 months with many activities and projects planned and carried out as we continue to focus on our mission, which is to maximise the contribution of pharmacists to the healthcare of Singaporeans and also forging stronger ties with members, partners and stakeholders both locally and abroad.

Detailed reports of various activities undertaken by the different chapters or committees in PSS and collaborations with our partners can be found in the remaining pages in this Annual Report, hence I will only highlight a few items here:

The most memorable day of the year for us has to be on 29th September 2012 which marks the opening for two of the flagship events organised by PSS - the 22nd Singapore Pharmacy Congress and Pharmacy Week 2012. The opening ceremony was held at Shangri-la Hotel with Health Minister Mr Gan Kim Yong as the Guest-of-honour. We were joined by almost 800 guests who witnessed the launch of our "Just Ask!" campaign with a video which encourages the public to ask their pharmacists any questions they may have on medications. This video was screened on local television, many pharmacies and hospitals across the island during the entire Pharmacy Week and is now made available on YouTube and the PSS website. The newly revamped PSS website was introduced at the opening ceremony.

The 22nd Singapore Pharmacy Congress themed "Driving Medication Safety Across the Healthcare Continuum" continued from 29th to 30th September. This theme cannot be more apt as ensuring safe medication use and practices is central to our roles as pharmacists regardless of our practice settings. At this congress, we also unveiled a poster exhibition that highlighted how pharmacists and PSS had played a significant role in driving medication safety in Singapore from 1821 to today. For example, in 1969, PSS called for drugs to be registered before approval for sales and in 1985 PSS advocated the proper labeling of medicine. The congress was a huge success, attended by almost 1000 pharmacists, pharmacy technicians, students and guests.

Immediately following the intensive 2-day congress, we continued on immediately with Pharmacy Week 2012 from 29th September to 7th October. In addition to the video, Pharmacy Week also saw the production of a series of 9 posters educating public on the safe and responsible use of medicines and the roles of pharmacists. The posters were exhibited in all restructured hospital and pharmacies during the week. As part of the "Just Ask!" campaign, PSS distributed "Just Ask!" buttons to be worn by all pharmacists and pharmacy support staff across the country to encourage patients to ask questions about their medications. A few of us were also interviewed on local television program like "Good Morning Singapore" (TCS 8) and "AM Live" (Channel News Asia) to talk about proper use of medications, encourage patients to keep a medication list and promote the need to see a pharmacist for medication review. As with previous years, pharmacies also provided free medication review to patients during the week. The public education materials continue to be made available on our newly revamped PSS website under the patient webpage called "Know Your Medicines".

Updates on other key collaborations:

AIC and PSS signed an MOU at our last Singapore Pharmacy Congress in July 2011 to roll out the Pharmaceutical Care Programme to bring pharmaceutical care into nursing homes and enhance their capabilities in managing their residents' medication needs more effectively. We are happy to report that pharmacists, with active participation of 6 nursing homes, are able to demonstrate positive results a year later, translating to better quality care to the residents. Together with AIC, PSS hopes to expand the programme to more nursing homes in the coming year.

HPB and PSS began collaboration on the Pharmacist Health Ambassadors Programme since 2006 and signed our 1st MOU in 2008. Under this programme, our community pharmacists continue to reach out to large number of patients to educate on healthy living and chronic disease management and reported good outcomes. Our 3rd MOU with HPB was signed on 30th September which will see further collaborations including training of pre-registration pharmacists as Pharmacist Health Ambassadors.

Moving forward we will continue to engage partners to promote and maximise the role of the pharmacists to optimise the healthcare of Singapore residents. We will continue to pursue current initiatives and work on new opportunities.

A lot of work remains to be done and a lot of help and effort is needed to increase public awareness of Pharmacists' role in healthcare and maximising our role for betterment of healthcare in Singapore. I would like to call upon all pharmacists in Singapore to join us in PSS to further this cause. Our Society's strength lies in each and every pharmacist's unwavering support, volunteerism and contribution. Our work and collaborations would not have been possible without all the pharmacists from hospitals, community, academia, regulatory and industry banding together and contributing as the pharmacy profession.

Finally, I would like to convey my deep appreciation to the 106th Council, our committed members from various PSS chapters and committees, advisors, members, partners, stakeholders, friends and our secretariat for their support and contribution. Let us continue to work on building the "Pharmacist" brand, not only for the profession but for the good of the general public.

Thank you very much.

Mission:

We aim to

- Influence professional practice of community pharmacists to improve health outcome for our patients.
- Increase the awareness of community pharmacists' contribution among the public, government-linked agencies and other stakeholders.

Progress & Challenges:

In 2012/13, key areas/ projects pursued by Community Chapter were

- Pharmacist Health Ambassador Programme,
- Reclassification of prescription medicines

1. Pharmacist Health Ambassador Programme (PHAP)

Between From Nov 11 to Aug 12, 1121 patients were counselled under Pharmacist Health Ambassador Programme. There were more patient follow-ups during this qualifying period versus Oct 2010 to Oct 2011. 3112 recommendations were made and 1984 patient follow-up sessions were conducted. Number of patients counselled and proportion of patients who received follow-up have also increased (Nov 11 to Aug 12 versus Oct 2010 to Oct 2011).

Table 1. Basic Demographic Information on Health Ambassador Programme

	Number of Patients Follow-ups	% of Female Patients	Mean Age
Oct 2010 – Oct 2011	759	47.7%	42.9
Nov 2011 – Aug 2012	1984	47.1%	47.3

The rate of follow-up remained high (98.8%).

Table 2. Information on Recommendations and Follow-up rendered in Pharmacist Health Ambassador Programme

	Recommendations	Number of	Recommendations per	% Follow-up (among all patients counselled in HAP
Oct 2010 – Oct 2011	2558	1459	1.75	98.10%
Nov 2011 – Aug 2012	3112	1984	1.56	98.80%

Below were the details on the types of Pharmacist Health Ambassador Advice rendered to patients.

Chart1. Frequency of Patient Follow-up for each Chronic Disease & Health Promotion Topics during each qualifying period

Majority of patients (69%) reported improved outcome due to pharmacist advice.

Focus on two major areas in PHAP, namely Smoking Cessation and Hypertension Monitoring:

With regards to smoking cessation, there was more smoking cessation sessions conducted by community pharmacists. There was also more improvement reported, in terms of cutting down nicotine dependence, improved knowledge and being able to cope with stress or withdrawal symptoms related to smoking cessation.

Table 3. Summary of Outcome for Smoking Cessation Conducted by Community Pharmacists

	Number of Smoking Cessation Sessions	% Follow-up	% Improved
Oct 10 – Oct 11	462	100%	64.5%
Nov 11 – Aug 12	580	100%	71.4%

With regards to management of high blood pressure, there was also more improvement reported, in terms of improvement of blood pressure readings & other parameters (cholesterol readings), adoption of beneficial lifestyle changes, better compliance to therapy and coping with or resolution of drug related problems.

Table 4. Summary of Outcome for Hypertension Management Conducted by Community Pharmacists

	Number of Counselling Sessions	% Follow-up	% Improved
Oct 10 – Oct 11	330	99.4%	48.8%
Nov 11 – Aug 12	528	100%	64.4%

Top contributors were once again recognised for their excellent effort during closing ceremony of PSS Congress on 30 Sept 2012. The awards were presented by the Chief Executive Officer, Mr Ang Hak Seng.

 Trainer: Grace Chew

Future initiatives include:

- E-learning for Pharmacist Health Ambassador Training
- E-Reporting of Pharmacist Health Ambassador Programme Results

2. Update on Reclassification of prescription medicines

Since 1 Feb 2012, mandatory documentation of all P medicine dispensing has become a mature practice, providing quality assurance and building confidence to drive more reclassification of prescription medicines to pharmacy only.

PSS works closely with the Health Sciences Authority (HSA) in the reclassification of medicines. The main role of PSS is to produce patient information leaflets (PILs) for the reclassified medicines. These PILs are prepared by the Reclassification Education Support Subcommittee and are made available on the HSA website. Pharmacists are encouraged to provide these to the patients upon recommendation and dispensing of these P-only items.

Between Feb 2012 to Mar 2013, 4 product-specific and 5 active ingredient based reclassification were affected.

17 February 2012	Flixonase Aqueous Nasal Spray	0.05% (product-specific reclassification)
19 March 2012	Aerius 5mg tablet	(product-specific reclassification)
1 July 2012	Azelaic Acid Triamcinolone Acetonide Levocetirizine	As a topical preparation containing 20% w/w As an intranasal spray containing not more than 55 mcg / actuation As an oral solid preparation containing not more than 5 mg
4 July 2012	Telfast 120mg tablet	(product-specific reclassification)
18 October 2012	Telfast D tablet	(product-specific reclassification)
1 January 2013	Desonide Fluconazole	As a topical cream or lotion preparation containing not more than 0.05% w/w
	FIUCUIIdZUIE	As an oral preparation containing 150mg

Dr Deepika Mallya Mr Geoffrey Chai Dr Kelvin Xu Ms Liew Yixin Ms Lin Huimin Dr Ng Tat Ming Ms Tan Yuen Ming

Objectives

To raise the profile of hospital pharmacists in Singapore, the hospital chapter aims to provide a platform for all hospital pharmacists to network and build upon one another's strengths.

Activities

The chapter's main focus this year was to enhance avenues for continuing education for pharmacists.

(1) Pharmacist Letter

This is an online resource that enables pharmacists to keep abreast of current developments in healthcare. It was made available to our PSS members since December 2010. Over the past year, the Pharmacist Letter achieved an average of 900 hits per month.

(2) Online case studies

Pharmacists who are experts in their respective fields are invited to contribute case studies that will be posted online. This series of case studies will help to provide pharmacists with the latest developments in the respective fields and they can claim CPE credits at the same time.

(3) 2-hour Continuing Education (CE) Sessions

In collaboration with the Education subcommittee, we have been providing a series of 2 hour CE sessions since April 2012. These sessions were designed to benefit pharmacists planning to take the U.S Board Certification in Pharmacotherapy. In addition, participants were able to gain CE credits.

(4) "In the Spotlight"

Pharmacists who have excelled in their areas of practice will be featured under "In the Spotlight". This serves to inspire young pharmacists and to allow pharmacists with the same interest for networking opportunities.

PROFESSIONAL EDUCATION COMMITTEE:

Pharmaceutical Society of Singapore – WSQ Certified Pharmacy Technician Course and Certified Pharmacy Assistant Course

The Certified Pharmacy Technician Course (CPTC) was introduced some 20 years ago to meet the evolving and increasingly sophisticated pharmacy services as a result of the hospital restructuring initiatives in the 1980s/1990s. PSS, in collaboration with the various pharmacy managers and stakeholders, took the lead in designing and offering the CPTC programme in order to equip the Pharmacy support staff [Pharmacy Assistants (PAs) and Pharmacy Technicians (PTs)] with the necessary competencies and knowledge needed to meet and drive the support roles for the many restructured hospitals and private institutions.

The Certified Pharmacy Assistant Course (CPAC), however, was only offered from 2007. This was driven by PSS following the signing of an MOU with NTUC LearningHub in Mar 2007 to target the training needs of persons interested to join the pharmacy or dispensary area of works. The course got into the maiden start jointly with LearningHub in Oct 2007, and the collaboration was terminated in May 2010 after a highly successful 15 consecutive runs. PSS has since revamped and moved the CPAC course into WSQ (Workforce Skills Qualifications) standards solely without any collaborative partner. This was to facilitate full control of the candidate selection process and demand management; and at the same time continue to drive the training needs of the entry level skills and competency for Pharmacy and Medical Clinics.

By the 17th intake of the CPTC, the delivery of the training programme has morphed into the WSQ framework. In Sept 2012, the CPTC entered into the 22nd intake with 23 candidates pursuing the 10-month longer part-time course. Concurrently, the revamped CPAC entered its 3rd batch of candidates with 7 candidates.

On 7-Dec-2012, 14 candidates received their CPTC certificates and 17 candidates received their CPAC certificates in a ceremony to celebrate the successful completion of the training course. Present at the ceremony were the PSS President (Christine Teng); President of Singapore Pharmacy Council & Deputy Director, NUHS Pharmacy Dept (Wu Tuck Seng); PSS Course Coordinator & Past President (Ng Cheng Tiang); Pharmacy Managers; CPTC and CPAC Trainers; graduates and their family members. It was a highly memorable occasions for many and satisfying sight to treasure!

PSS President Ms. Christine Teng congratulated the CPTC graduates

All smiles with the CPTC certificate; the fruit of hardwork and sacrifice for the past year!

Group photo of the CPTC graduates with the invited guests

CPTC Coordinator Ng Cheng Tiang encouraged CPTC graduates to keep in touch & upgrade their knowledge &skills.

In order to maintain and continually improve the CPTC and CPAC programmes, PSS has co-sponsored the training of some 10 members mostly from the hospital practice to be fully accredited by WDA as the qualified trainers, assessors and developers of all the CPTC and CPAC curriculum materials. All the trainers, assessors and developers have completed the training programme and are now duly qualified for any WSQ programmes. WDA has also conducted a second audit of PSS as the Approved Training Organisation in Jun 2012. We are pleased to report that PSS cleared the audit without any significant observation requiring corrective actions.

The pre-registration pharmacists' training program is organized by PSS annually to train and further enhance the competency of the pre-registration pharmacists.

The committee consists of pre-registration pharmacist coordinators representing the various training institutions.

To ensure that the training program is comprehensive, beneficial and remains relevant to our preregistration pharmacists, constant evaluation of topics and feedbacks from both coordinators and previous year's pre-registration pharmacists are done annually.

The structured and comprehensive program spanning a period of 9 months, is designed to complement the training program of each institution, and to equip every pre-registration pharmacist with knowledge and skills to meet the Competency Standards set by the Singapore Pharmacy Council.

This year, we have a total of 153 pre-registration pharmacists from both the hospital and community sectors. Of these, some are graduates from overseas universities seeking a Pharmacy career in Singapore.

Objectives

To transform newly graduated students into professional pharmacists through the following ways:

Facilitate the application of academic knowledge of pre-registration pharmacists into practice;

- Promote pharmacy values, principles and ethics to build impetuses in every pre-registration pharmacist for fostering professionalism;
- Co-ordinate the training efforts of all training institutions to ensure the delivery of a well-rounded and comprehensive training to all trainees;
- Promote the development of professional relationships and networking within and between individual pre-registration pharmacists, pharmacists, and other healthcare professionals;
- Articulate the myriad possibilities within the pharmacy profession that pre-registration pharmacists can choose from for career and professional development.

Key Activities/Information given in FY2012/2013

- The opening ceremony was jointly organized by SPC and PSS. Mr Liak Teng Lit (Group CEO, Alexandra Health) was invited to give the opening speech. Ms Lita Chew (Chief Pharmacist, MOH) and Ms Miko Thum (Vice-President, PSS) gave speeches to the pre-registration pharmacists to enable them to have a better understanding of the roles of SPC and PSS in training and preparing them to be a registered pharmacist.
- Ms Felicia Ling (Executive Secretary, SPC) shared on the general objectives of the pre-registration training programme and Dr Chan Hong Ngee (SPC Board of Examiners) briefed them on the SPC competency standards and examination.
- Pre-registration pharmacists were also informed of the whole year's training schedule, what is expected from them as well as the training fees that they have to pay.
- Training sessions were held approximately every 2 weeks. Topics included both clinical and nonclinical aspects of pharmacy practice. Speakers invited were healthcare professionals which included pharmacists and doctors who are specialized in their fields of expertise, pharmacists practicing in non-clinical fields e.g. industry, clinical trials etc.
- Each training institution will select one pre-registration project to be presented at the PSS session towards the end of the training programme in March.
- The Pharmacist Health Ambassador Programme was conducted in collaboration with Health Promotion Board. The focus is on promoting health and opportunistic counseling for customers in contact with pharmacists. With the e-learning courseware and accreditation by HPB for Smoking Cessation, pre-registration pharmacists who have attended the sessions, would be considered as having completed Level 1 of the Certified Quit Smoking Consultant training.
- To mark the completion of pre-registration training and the beginning of a new milestone as a registered pharmacist, there will be a certificate presentation ceremony for all graduating preregistration pharmacists. Preceptors and Pharmacy Managers from the various training institutions will be invited.

PUBLIC EDUCATION PROGRAMME COMMITTEE

Ex-Officio : Dr Afsoon Ghazvinian

Chairperson : Mr Khu Jia Vui

Members : Ms Goh Shiar Yin Sharene

Ms Ivy Goh Ms Lee Jye Hwei Ms Lee Sock Hui Mr Lim Zhi Ying

Ms Mariana Bte Mohamed Ms Tan Meng Gek Lynda

Ms Tan Kai Hui Mr Tan Jian Ming

The committee was formed in June 1st 2012 with pharmacists from hospital and community settings with great dedication and commitment, whom accomplished many exciting projects this year.

Public Education Chapter welcomes members from all areas of specialty for a diverse perspective and to expand its contributions to the community.

Objectives

- 1. Empower members of the public with appropriate information to be better informed about their own health management.
- 2. Establish pharmacists' role in public health promotion including promotion of health awareness and well-being, disease prevention and identification of ill health.
- 3. Promote and encourage the public to practice safe and effective self-care in the area of self-medication for minor ailments and playing an active role in the management of chronic diseases.

Activities

Presentations and Community Health Screenings:

 "Know Your Medicines, Get it right" in collaboration with Northwest Community Development Council (NW CDC) and NUS Pharmaceutical Society / Health Screening, 20th May 2012 at Nee Soon Community Centre

Presenters:

Mr. Khu Jia Vui, "5 important questions to ask about your medications"

Ms Goh Shiar Yin Sharene, "A talk about Chronic Diseases"

(Appendix 1)

2. "Caring for the Silver Community" in collaboration with 5 CDCs / Health Screening, 24th June 2012 at Choa Chu Kang Hard Court

Medication reconciliation by volunteer pharmacists

Interactive quiz with the members of the public to promote the idea of 5 important questions to ask about their medications.

3. "Know your medication, Just Ask", 25th August 2012 at Chengsan Seletar Neighbourhood Club (SHENC)

Presenters: Mr Khu Jia Vui, Ms Jen Pei Hsuan (Appendix 2 – banner for the talk)

Pharmacy Week 2012

- 1. Contents of 9 posters were created by the team and passed to the Pharmacy Week Committee for design, publication and logistics. The posters were exhibited at the Pharmacy Congress September 29th to 30th, and during pharmacy week Oct 1st to 7th in hospitals, polyclinics, and community pharmacies island-wide.
- 2. A tri-fold flyer was designed to be distributed to the public in line with the theme of this year's Pharmacy Week "the importance of keeping an updated Medication List".
- 3. A new Medication list format was proposed and designed.

PSS Website

- 1. The structure and contents of the "Know Your Medicines" pages of the newly revamped PSS website was constructed by the team.
- PILs of various health conditions and medications were generously provided to PSS by MOH, NHGP, NSC, KKH, KTPH, Renci, Guardian, Watsons and Unity pharmacies. The members screened through the PILs and compiled the material to be uploaded onto the website under the "Know Your Medicines" respective categories.
- 3. For "Commonly Asked Questions" page of the website, short write ups were drafted by the members to address the questions brought up by the public at community presentations.

Media Conference

In October 2012, PSS president and the Chapter's Ex officio had met with Glaxo SmithKline (GSK) representatives to discuss a media conference in increasing awareness about Allergic Rhinitis condition and its treatments, educating the public in the use of intranasal steroids. A media conference is scheduled to be held in early 2013.

Sharing of best practices with regional partners

On Dec 14th 2012, a meeting was held by the Ex-Officio with pharmacists visiting from Sogo Medical in Japan, represented by Mr Sakurai, Deputy General Manager of Mitsui & Co. (Asia Pacific) Pte. Ltd. A presentation was provided on history and structure of PSS, roles of pharmacists in Singapore, and activities of Public Education Chapter.

MEMBERSHIP COMMITTEE

Ex-Officio : Ms Miko Thum

In the year 2012, there is an increase in membership. Membership rose from 1,423 in 2011 to 1,539 in the year 2012.

Membership by section is summarised in the table and chart below:

- Honorary Member No candidate was nominated throughout 2011 and 2012.
- Fellow Members No candidate was nominated throughout 2011 and 2012.
- **Life Members** 7 New Life members have been designated. This membership section recognises the long-serving contribution of these members to the society. This is a 6.4% increase compared to 2011.
- **Ordinary Members** There is an 8.0% increase in ordinary membership, in the year 2012.
- Overseas Members In 2012, membership in this category dropped by 2.
- Associate Member This category of membership experienced an increase of 17.1% when compared to 2011.
- Student Members This section experienced a decreased membership in 2012.

Membership growth in total and by sections

Category	As at end 2011	As at end 2012	% change
Fellow Member	11	11	0%
Life Member	110	117	6.4%
Ordinary Member	1134	1225	8.0%
Overseas Member	13	11	-15.4%
Associate Member	146	171	17.1%
Student Member	9	4	-55.6%

Make-up of Membership by Sections by end 2012

Objectives

- To drive membership for the society, with the aim of PSS representing all the registered pharmacists in Singapore and fostering an active and motivated membership and leadership.
- To organise social events for members.

Activities

In 2012, we observed a continual growth in the ordinary membership cohort, which can be attributed by PSS positioning as the leading provider of Continuous Education activities for Pharmacists in all areas of practice.

Starting 2013, PSS members would enjoy free monthly Continuing Pharmacist Education (CPE) sessions conducted by PSS (non-PSS members would be charged \$40 per session) and substantial discount of \$140 when registering for the upcoming 23rd Singapore Pharmacy Congress.

The membership committee's strategy continues to co-opt young pharmacists into the Society as early as possible in view of the fact that enticing members to re-join was a difficult task.

We continue to encourage subscription collection via GIRO. This approach has saved administrative costs to PSS in terms of reminder mailings and printing costs of mailers.

The committee would like to thank our members for their continual support of PSS. Your support is our Society's strength.

COMMUNICATIONS COMMITTEE

Ex-officio : Ms Fatimah Moideen Kutty

Members : Ms Agnes Lee

Mr Adrian Wong Mr Ng Cheng Tiang Mr Raymond Liew Mr Wong Leong Hui

Objectives

- To serve as the sounding board and communication conduit for the Society
- To maintain a constant updates for the website and e-Bulletin
- To coordinate media activities

Activities

The main activities comprised the regular web based tasks and the newspapers publication initiatives and ad-hoc media and publication relations.

In 2011, the website was revamped as part of Phase 1, which included changes to the website to allow for easy navigation and additional features for PSS members only. In 2012 the website enhancement in phase 2 was completed in Sep 2012 and was showcased at the Pharmacy Congress. The website has been an important tool to update our members on the various activities in the pharmaceutical scene and also opportunities in the job industry.

An important segment on the revamped website is the "Know Your Medicines" webpage. Information on this page is organized by the PSS Patient Education Chapter. PSS hopes that this will be the public education resource of choice pertaining to medications and disease management for residents in Singapore. It contains a wide range of information ranging from patient education leaflets on medications, chronic disease management and self-care management etc. We have collaborated with MOH, NHG Pharmacy and various restructured hospitals to upload their patient education leaflets on this page.

We also engaged the media at various levels; newspapers, radio interviews as well as TV media in the Good Morning Singapore programme. These mediums have been a good opportunity for us to update the general public on issues related to medication management, medication safety and the affordability of medication.

Approximately 1000 pharmacists and colleagues from various pharmaceutical professions gathered at the 22nd Singapore Pharmacy Congress (SPC) held in the Shangri-La Hotel, Singapore, on 29-30 September 2012. The theme for the Congress was "Driving Medication Safety Across the Healthcare Continuum". This year, the 22nd SPC also marked the opening of the annual Pharmacy Week.

Mr Gan Kim Yong, Minister for Health who graced the occasion as the Guest-of-Honor, delivered a speech at the opening ceremony which urged pharmacists, as healthcare professionals who are best positioned to drive medication safety initiatives across the healthcare continuum, to strive for excellence and to play even more active roles in aligning the profession with MOH's Health 2020 vision towards improving accessibility, quality and affordability of healthcare.

The opening ceremony also featured a sand-art performance which showcased the different settings that pharmacists work in through the many different frames and culminating with a final frame picturing the Pharmacy Week 2012 logo "Just Ask".

A total of 2 offsite and 4 onsite pre-congress workshops helped to kick off the main event. For the first time, a joint pre-congress workshop between PSS and the Singapore Association of Pharmaceutical Industry (SAPI) was held. This workshop sought to increase collaboration between the pharmaceutical industry and community and hospital pharmacists. All the workshops including the two offsite workshops- "Pharmacy Technicians' Continuing Education Workshop" and the "Pain and Symptom Management Workshop" with invited speaker Dr. Suzanne Nesbit, (Clinical Pharmacy Specialist, Pain Management, The Johns Hopkins Hospital) were very well received.

With medication safety as the primary focus, the program included pre-congress workshops, keynote and plenary lectures, as well as concurrent symposia that touched a wide range of topics in academic pharmacy, hospital pharmacy, community pharmacy, regulatory affairs, industrial pharmacy, pharmacy information technology as well sharing of experiences of collaboration with external agencies like the Agency for Integrated Care.

The Keynote speaker was Prof. David Cousins, Associate Director, Safe Medication Practice & Medical Devices, NHS Commissioning Board Authority. One of the highlights of this year's SPC was the plenary lecture "Paradigm Shifts in the Singapore Pharmacy Profession", jointly delivered by Asst. Prof. Lita Chew (Chief Pharmacist of Singapore), Assoc. Prof. Chan Sui Yung (Head of NUS Pharmacy) and Asst. Prof. Christine Teng (Preisdent of the Pharmaceutical Society of Singapore) which many thought was a motivating and informative session for the profession moving forward. Other plenary speakers included, Ms. Agnes Chan (Regulatory Consultant, Pharmaceuticals & Biologics Branch, Pre-Marketing Division, Health Sciences Authority) and Prof. Lisa Kroon (Executive Vice-Chair, Dept of Clinical Pharmacy, School of Pharmacy, University of California San Francisco).

A poster exhibition titled Medication Safety Through the Years: A Shared Journey with Pharmacists" was also unveiled at the congress. Participants could take a walk through history with this exhibition which highlighted the achievements pharmacists have made in the areas of medication safety from 1821 to 2012.

At the closing ceremony, 10 Pharmacy Health Ambassador Awards were presented by Mr. Ang Hak Seng, CEO of the Health Promotion Board. This signaled PSS's continued collaboration with external agencies and being the valued partner. Prizes were also presented for the best oral and poster research presentations.

This Congress would not have been possible without the dedication, commitment and tireless efforts of the organizing committee. I would like to take this opportunity to thank and acknowledge each and every one of them, as well as all the distinguished speakers, judges, corporate sponsors, PSS Council and advisors, and the congress secretariat.

Objectives

To raise health literacy of the general public of Singapore, and to promote the Pharmacist as "Your Health Ambassador". This year, the Pharmacy Week was officially declared open during the Singapore Pharmacy Congress and lasted from 29 Sept'12 to 7 Oct'12.

Activities

A brainstorming session was called, and the theme "Just Ask" with subtheme "Know Your Medicines, Get It Right" was confirmed for the week. The Pharmacy Week Team carried out the following activities:

1) Produce the first video ever on what Pharmacists can offer patients/health enthusiasts.

This video was dubbed "Just Ask", it features a lay-person viewpoint by 5 key floating questions which were intended to spark the viewers' curiosity and suggest that these questions may be answered by Pharmacists.

The video was uploaded into YouTube, the Facebook group "Pharmacists in SG" and on our PSS website. It was also cut onto CDs and distributed to the various institutions for airing during the week. It was a huge success as we got numerous favorable feedback about how refreshing and catchy it was.

http://www.youtube.com/watch?v=KpLg37856yE

This video was also aired on television on TCS Channel 8.

Create and print a range of public education posters with the same look and feel for the whole week

The team, with the help of the Public Education Chapter, wrote and conceptualized the nine patient education posters which were used for the week:

- Know Your Numbers: Describes the "normal" vs "suboptimal" levels for blood pressure, blood glucose, body-mass index, and cholesterol
- Parts of a medication list: Describes the parts of a medication list and tips on how to maintain a medication list
- When do I need a Prescription? Delineates POM, P-only and GSLs
- Storing and Proper Administration of Medications
- Faces of Pharmacists: Talks about the various roles which Pharmacists play
- Minor Ailments which a Pharmacist can help you with
- Smoking Cessation
- 5 Key Questions to ask your Pharmacist which was designated as the executive poster
- Medication Review poster in English and Chinese detailing criteria for medication review
- 3) Flyer on how to create and maintain a Medication List
- 4) Organise exhibition consisting of all eight public education posters from World Pharmacists' Day till the end of the week at all restructure hospitals
- 5) Engage the media for coverage of the Pharmacy Week events
 - We got on 早安您好(TCS Channel 8), Am Live (Channel News Asia) and Mind Your Body (Straits Times supplement)
 - The Peoples' Association publicized the week for us also
- 6) Created hanging mobiles bearing the "Just Ask" logo to blitz all pharmacies during the week

- 7) Printed badges bearing the "Just Ask" logo for all pharmacy staff to wear during the week
- 8) Organised retail sales at selected pharmacies all over the island
- 9) Raised awareness with various Corporate Communications of the various institutions to celebrate World Pharmacists' Day (25 Sept'12) and to clear all collaterals and video

Pharmacy Week 2012 was a resounding success and would not have been possible without our team members and also support from the pharmacy managers of our hospital and community pharmacies.

PSS PHARMACIST VOLUNTEERS SERVICE FOR DOVER PARK HOSPICE (DPH) AND HCA HOSPICECARE (HCA)

Chairman: Mr Wu Tuck Seng

Volunteers: Ms Ellen Sem

Ms Irene Quay Siew Ching

Ms Lita Chew

Ms Miko Thum Chui Mei Ms May Kwan Yin Mee Ms Oh Ching Ching Dr Viviane Shih Ms Yeo Soo Lam

Briefly, the PSS pharmacist volunteer service for DPH started in1998 with the aim of helping to ensure safe medication use through proper storage and handling of medicines. In 2000, the service was extended to HCA. Volunteers review donated medicines and see if they can recycle them safely to reduce cost. They pre-pack medicines for inpatient use at DPH and pack ready to use packs of medicines for home visits by the HCA doctors and nurses. The volunteers take turns to provide this service every Saturday for about 2 – 3 hours each time.

For 2012, Ms Wong Huan Yan, one of our pharmacist volunteer requested to be off the roster for 1 year due to her one year PGY2 residency in critical care in the USA. We wish her all the best. Ms Oh Ching Ching, senior pharmacist from KKCWH also joined the team in 2012 as did Ms Ellen Sem, pharmacist working at TNT Express Worldwide (S) Pte Ltd, who took over Huan Yan's position. We are very grateful for all the help given by the volunteers and their unstinting spirit for helping the less fortunate. PSS pharmacist volunteers conducted a total of 52 medication reviews and repackaging sessions at DPH and HCA.

The volunteer pharmacists had one meeting with DPH management to look at updating the drug list, inventory management and tackling increasing drug needs due to the home care service that DPH has started. Volunteers also had to now key in the availability of non standard drug stocks in the DPH computer for tracking purposes.

The PSS volunteer pharmacists continue to work with enthusiasm and dedication earning praises from DPH and HCA doctors and nurses.

Pharmacists who are interested to volunteer, please contact Tuck Seng at rlwts7@gmail.com or call 67725007.

Medication Safety in Nursing Homes

AIC and PSS jointly launched a pilot programme for pharmaceutical care in the Voluntary Welfare Organization (VWO) nursing homes with the signing of Memorandum of Understanding (MOU) on 16 Jul 2011. The MOU for the two-year programme was signed by Ms Christine Teng, President of PSS and Dr Jason Cheah, Chief Executive Officer of AIC at the opening of 21st Singapore Pharmaceutical Congress, held at Sheraton Towers.

AIC is the agency set up to promote and enhance the integration of Intermediate and Long-Term Care sector, to realize the vision of a more integrated healthcare system in Singapore. The idea for the collaboration was mooted in Sep 2010 and went through a few rounds of discussion before culminating to the signing of MOU.

Both parties seek to collaborate on a "Pharmaceutical Care Programme", which aims to enhance the capability of nursing homes (NH) in managing their residents' medication needs more effectively. The scope of the Programme includes:

- a) Medication review and reconciliation for residents in the nursing home;
- b) Improve medication use and safety, minimizing any potential errors or near-miss in the nursing homes, by drawing up policies and procedures with the NHs.
- c) Training and support of nursing care staff, to ensure that the staff has a better understanding of the medications being served to residents and safe medication practices in the NH.

As of end Dec 2012, we have completed the pilot for the 6 NH and 2 Hospices participating in the programme. Community Pharmacists from Guardian, National Healthcare Group Polyclinic Pharmacy, Unity Healthcare and Watsons were providing the services to these NH and Hospices. Each NH or hospice is partnered with one community pharmacy organization, whose pharmacists provided medication reviews and consults two days per month.

As per the scope of programme, 2 runs of trainings for the nurses were planned for 2012 was completed in Mar and Oct 2012. The next run would be in Jan 2013. Each run consists of 10 topics, conducted over 5 half-day sessions.

PSS has also arranged a team of advisors to support these community pharmacists. They are Ms Low Suat Fern, Ms Wendy Ang and Ms Bernadette Lim, who have many years of experience in nursing home medication management.

The result of the above programme was presented to AIC CEO and Chairman of AIC Board in 2012. AIC recommended that the results to be shared with MOH in early 2013 to address sustainable care standards and funding support for the NH.

COLLABORATIONS WITH LOCAL PARTNERS

(II) NATIONAL UNIVERSITY OF SINGAPORE PHARMACEUTICAL SOCIETY (NUSPS)

NUSPS is the student body representing the pharmacy undergraduates in NUS. PSS has been collaborating with NUSPS in their Brown Bagging activity since 2010. Brown Bagging is a student-led medication review event organised by NUSPS E-Med Committee (an external wing of NUSPS specialising in health-related volunteer work) to guide elderly patients on the safe and proper use of medications. This is important as the elderly are often identified to be at a higher risk of taking inappropriate or expired medicines.

Other than helping the elderly to maximize the therapeutic effects of their medication with medication safety in mind, Brown Bagging also strives to reach out to the community to educate the public about the role of pharmacists as the trustworthy medication experts and caring partners in their health. At the same time, this event fosters closer relations between pharmacy undergraduates and pharmacists from PSS. Students can benefit from the sharing of experience and knowledge, and overall the interaction helps to create a more cohesive '*Pharmily*'. Last but not least, it allows students to apply their drug knowledge and practise their patient counselling and communication skills, under the guidance of pharmacists.

Collaborations between NUSPS, North West Community Development Council (CDC) and PSS – Launch of "Know Your Medicines, Get It Right! @ North West"

In 2011, the Brown Bagging event was brought to a new height with a formalised collaboration between the NUSPS and PSS in partnership with North West CDC. This is a 3-year programme under North West Youth Care pillar, which aims to harness the energy of NUS Pharmacy undergraduates and expertise of registered pharmacists in making a positive contribution to the community.

Under this programme, NUSPS, PSS and North West CDC partner with voluntary welfare organisations, neighbourhood links, senior activity centres and North West Grassroots Organisations in reaching out to more senior citizens in North West District. The "Know Your Medicines. Get It Right!" Brown Bagging events were launch since 2 July 2011 and have been roving to different areas in the North West District and have benefited about 550 elderly.

In the past year, "Know Your Medicines, Get It Right! @ North West" was held 3 times - 20th May 2012 at Nee Soon South Community Club with MP Dr Lee Bee Wah as GOH, 24th June 2012 at open field next to Choa Chu Kang MRT station with President Tony Tan as GOH and 24 February 2013 at Chong Pang Community Club with Minister K Shanmugam as GOH.

Pharmacists and "Pharmacists-to-be" reaching out to the community.

Ms Loke Lai Hoi is now on the road to recovery from rheumatoid arthritis after getting help from the Know Your Medicines, Get It Right! @ North West programme

or several years, Ms Loke Lai Hoi, 51, suffered from joint pain so severe that she could not hold down a full-time job or do active volunteering work.

"Sometimes my arm would hurt so bad that tears would roll down my face," she recounts. As her condition worsened over the years, even doing simple things posed a challenge. "There were even days where I couldn't brush my teeth properly because of the unbearable pain."

Thankfully, all that changed last year after she attended a session under the North West Community Development Council's "Know Your Medicines, Get It Right! @ Northwest" programme.

The programme was launched on 2 July 2011 with the Pharmaceutical Society of Singapore and the NUS Pharmaceutical Society to educate elderly and low-income residents and their caregivers on the proper use and storage of medication through free talks and consultations.

At the session, Ms Loke gained an understanding of the origin of her pain and the proper treatment she should receive. She had previously relied on painkillers to help reduce the pain as she lacked knowledge about her medical condition.

The pharmacist who attended to her believed that she was suffering from rheumatoid arthritis, an autoimmune disease that causes chronic inflammation of the joints and other parts of the body. If left untreated, it could lead to permanent joint destruction and deformity. The pharmacist helped arrange for Ms Loke to see a specialist who confirmed her suspicion.

With the diagnosis, Ms Loke could then be prescribed suitable medication. This, together with regular physiotherapy, has turned her life around. She no longer suffers from excruciating pain and is looking forward to working and volunteering again.

She also encourages people around her, especially older neighbours, to see a doctor when they feel ill and not to brush it aside.

"Health is indeed wealth and I can't wait to give back to society after receiving so much," she says with a smile. In wait to give back to society after receiving so much,"

This is a very meaningful collaboration and we are grateful for all the pharmacists who have come forward as volunteers to serve the community alongside the undergraduates. NUSPS and PSS will continue to collaborate on such community outreach.

Please email Ms Christine Teng (christeng@nus.edu.sg) if you like to volunteer for such Brown Bagging outreach events in the future.

RAPPORT WITH OTHER INTERNATIONAL/REGIONAL ORGANISATIONS

Federation of Asian Pharmaceutical Associations (FAPA)

The biennial FAPA Congress was held for the 24th time in the newly inaugurated Bali Convention Center between 13-16 Sep, 2012. The Indonesian Pharmacists Association hosted this event and the Congress drew a record number of participation (about 2,100 delegates) from within Indonesia and over 20 other countries. A total of 16 pharmacy symposia, 34 section meetings, 232 oral presentations and 280 poster presentations were packed in the 4 eventful days.

Singapore was represented by:

- 1. Mr. Ng Cheng Tiang (Vice-President of FAPA and PSS Past-President)
- 2. Assoc. Prof. Chui Wai Keung (recipient of FAPA Ishidate Award and PSS Past President)
- 3. Mr. Lim Mun Moon (PSS Council/Hon. Treasurer)
- 4. Dr. Camilla Wong (invited speaker and PSS Past President)
- 5. Assoc. Prof. Paul Heng (invited speaker)
- 6. Ms. Lee Hui Keng (HSA representative)
- 7. Ms Jasmine Ong (SGH pharmacist)

This FAPA Congress in Bali showcased the importance of pharmacists' role in the various sections of professional roles, from academia to R&D, supply and procurement, regulatory and surveillance, practice, sales and marketing etc.

As the ongoing effort to foster closer working rapport with international stakeholder, the FAPA Bureau, through the Vice-President Ng Cheng Tiang, has invited Dr. Sabine Kopp of WHO from Geneva to be the keynote speaker. There was also a side meeting organized for the regulators and was attended by FAPA Vice-President Ng Cheng Tiang to discuss a wide drug regulation policies. Dr. Kopp was also invited together with the retired WHO officer Dr. Budiono Santoso to a side meeting hosted by the Indonesian National Agency for Food and Drug Control (NADFC or BPOM) and chaired by Dra. Lucky Slemat (Director General of BPOM). Dr. Kopp was no stranger to this aspect as she was the key person behind the ASEAN stability requirement or the zone IVb stability guideline which is already a requirement by all ASEAN regulatory authorities for drug registration; and increasingly being adopted by many other Latin American and other countries sharing the same hot and humid climatic conditions which are very stressful for the long term ambient storage conditions of many drug products. The meeting concluded with3 suggestions for the FAPA Bureau to follow up, ie.

- 1. Pediatric Medicine Dosage and Formulation Guidelines
- 2. Issues on counterfeit medical products or SSFFCS
- 3. ASEAN Harmonization on Food Safety Standards and Requirements

The next FAPA Congresses will be in Malaysia in 2014 for the 25th edition whilst the 2016 event was successfully bidded by the Thai colleagues.

RAPPORT WITH OTHER INTERNATIONAL/REGIONAL ORGANISATIONS

Western Pacific Pharmaceutical Forum

The year 2012 remained as another busy year for the Executive Committee of the Western Pacific Pharmaceutical Forum (WPPF). A total of three meetings were organized in 2012:

- (1) Meeting 1: 9-10 March 2012, Manila, Philippines
- (2) Meeting 2: 6 July 2012, Seoul, South Korea
- (3) Annual General Meeting: 5 October 2012, Amsterdam, Netherland

A new executive Committee was elected at the AGM

Mr John Jackson, President (Australia)

Dr Tony Tarn, Vice President (Taiwan)

A/Prof Wai Keung Chui (Singapore)

Mrs Leonila Ocampo (Philippines)

Mrs Myung Suk Park (South Korea)

Mr Nobu Yamamoto (Japan)

Over the year of 2012 the Forum's principal areas of activity have been:

Promotion of the FIP/WHO GPP Standards

Efforts were devoted to the translation and promotion of the GPP standards within the region. The standards have been translated into Japanese, Korean, Simple Mandarin, Traditional Mandarin, Vietnamese and Mongolian.

The Forum, in co-operation with regional pharmacy organisations at the suggestion of WHO, has arranged for standards as translated to be distributed to all schools of pharmacy in the Western Pacific.

Collection of Country Reports

The Forum continues to collect regular reports from each country association and distributes them via newsletter and minutes to all the other country associations. This has enhanced each organisation's understanding of each other and stimulated inter-country inspection visits and enquiries.

Fostering Relationship with the World Health Organization Regional Office

WHO attended all the WPPF Executive meetings. Dr Budiono Santoso who has served as the Senior Pharmaceutical Officer for eight years has retired. The successor in this position is Dr Klara Tisocki, a pharmacist originally from Hungary, but with experience in Africa, United Kingdom, Europe, as well as already having acted as a consultant in the Western Pacific Region. Dr Tisocki has already made a great contribution with active input and identification of new areas to which the Forum could contribute in the following years to come.

Organizing International Projects

a) The Forum continued to support Vietnam Pharmacists Association and Drug Administration Vietnam in pursuit of its GPP targets by 2015.

- b) Meetings with Cambodian Department of Health officials relating to GPP in Cambodia
- c) Scheduling and categories of OTC medicines in the Western Pacific Region
- d) GPP and future practice development seminars presented in Manila, the Philippines and Seoul, Korea
- e) Continued support for hospital practice standards project with Dr Rebekah Moles and Jonathan Penm.
